

# *Have a Happy Thanksgiving!*

*We're taking the time to reflect  
on our blessings and our gratitude  
for the opportunity to be a vital part  
of the health of our community—and to  
thank you for the trust you place  
in our hands every day.*

***It is our privilege to care for you and your loved ones.***

*Wishing you abundant blessings, peace, and happiness,*

***From the entire Grande Ronde Hospital and Clinics family.***
