HOROSCOPES by Stella Wilder

MONDAY, DECEMBER 2, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are likely to display a great many talents at an early age, causing great excitement and hope for a bright and adventurous future -- but that's just the positive side of things. The danger, of course, is that there will always be those who wish to take advantage of you in some way to cash in on your talents and leave you out in the cold.

TUESDAY, DECEMBER 3
SAGITTARIUS (Nov. 22-Dec. 21) -- You should be able to steer clear of someone's nefarious activities today. In fact, you may end up blowing the whistle!

CAPRICORN (Dec. 22-Jan. 19) -- A lengthy search may yield little new information today -- but you can move forward with what you have; fill in the blanks as you go.

AQUARIUS (Jan. 20-Feb. 18) -- Your ability to dodge what comes at you will serve you well today. Others may try to knock you out of the race -- unsuccessfully.

PISCES (Feb. 19-March 20) -- You may have met your match where flirting is concerned, and you will want to explore all the possibilities that arise as a result.

ARIES (March 21-April 19) -- You know how to play every bit as hard as you work -- and today that should allow you to go further faster than anyone else around you.

TAURUS (April 20-May 20) -- You may have the chance to show off one or two special skills today; be sure to warm up properly and get the lay of the land before you begin.

GEMINI (May 21-June 20) -- Something that starts small today has the potential of becoming very big before too long. Are you ready to handle something of that magnitude?

CANCER (June 21-July 22) -- A sampling of activities gives you an idea of what is to come. Nothing may be quite to your taste -- yet -- but soon you'll want to be involved.

LEO (July 23-Aug. 22) -- Be very careful with what you send out over the ether today, as it's never going to go away! Even something insignificant can get out of hand.

VIRGO (Aug. 23-Sept. 22) -- You suffer something of a shock today and may not want to continue down the path you are traveling. Is that really a choice, however?

-- You may fear that someone has been trying to sabotage your efforts of late. Stop what you are doing and get as much info as you can.

SCORPIO (Oct. 23-Nov. 21) -- You are best off adopting a down-to-earth attitude about certain things that might otherwise be too lofty and esoteric. Maintain control.
