HOROSCOPES by Stella Wilder

WEDNESDAY, DECEMBER 11, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are a team player and exactly the kind of individual others want with them as they tackle the big challenges in life. You are quite affable and maintain a positive, upbeat attitude even when faced with the most difficult of circumstances. You are able to outfox even the cleverest of rivals, not because you are always so clever yourself, but because you are able to remain calm under pressure and envision all possible outcomes -- and this allows you to maneuver nimbly and change course whenever necessary.
THURSDAY, DECEMBER 12
SAGITTARIUS (Nov. 22-Dec. 21) -- You can shower those you love with all that you have today -- and you'll not be lacking anything when all is said and done.
CAPRICORN (Dec. 22-Jan. 19) -- You risk much today by being oversensitive. Criticism is unavoidable, and you must take it in stride. Give another a piece of advice.
AQUARIUS (Jan. 20-Feb. 18) -- You may not be able to progress as expected today, but a few moments of thought will allow you to come up with an even better plan of action.
PISCES (Feb. 19-March 20) -- Showing someone what you're made of doesn't have to involve aggression of any kind. Indeed, a "soft pedal" approach wins the day.
ARIES (March 21-April 19) -- You can be quite inventive today as you approach a problem that others cannot solve. Indeed, thinking out of the box is a virtual requirement!
TAURUS (April 20-May 20) -- You are eager to find an outlet for your growing creative energy. Look no further than what a friend offers -- it will take you by surprise.
GEMINI (May 21-June 20) -- You cannot afford to let your mind wander today. Stick to the problem at hand, and don't let anyone tell you that a solution can't be found.
CANCER (June 21-July 22) -- Others are organizing a contest of sorts that you simply must participate in, as you'll have a chance to right a past wrong in the process.
LEO (July 23-Aug. 22) -- Be sure to make time for the unexpected today; despite your many appointments and responsibilities, you must be ready to face a few surprises.
VIRGO (Aug. 23-Sept. 22) -- Repetition allows you to get something right that has taken quite some time to comprehend in the first place. You want to score a win!
LIBRA (Sept. 23-Oct. 22) -- Your imagination is likely to lead you down some winding paths today -- but what you discover along the way gives you a distinct advantage.
SCORPIO (Oct. 23-Nov. 21) -- You may be the only person who knows how to solve a certain problem today -- and others are almost certain to give you the freedom to get it done.
