HOROSCOPES by Stella Wilder

SATURDAY, DECEMBER 14, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you know how to make the most of almost every kind of opportunity, from the obvious to the obscure, from those that present themselves outright to those for which you have to dig. You enjoy experiment- ing with different methods, and you achieve your desired ends in a variety of different ways; you are not one to be restricted by what you have done in the past, and you are always looking forward to doing things in new and exciting ways. You never shrink from a chal- lenge, but face it head-on.
SUNDAY, DECEMBER 15
SAGITTARIUS (Nov. 22-Dec. 21) -- You've been holding yourself back for reasons that are as yet unclear to you -- but today you can break through and move forward again!
CAPRICORN (Dec. 22-Jan. 19) -- Though nothing is guaranteed, all signs point to a major event today that will put you in a

new position professionally.
AQUARIUS (Jan. 20-Feb. 18) -- You can demonstrate your native cleverness today in a way that not even you have anticipated. You may be in line for advancement.
PISCES (Feb. 19-March 20) -- You can exploit a certain situation to gain the advan- tage over someone who has been challenging you in one or two questionable ways.
ARIES (March 21-April 19) -- Your ability to see all sides of an issue will not do you much good today if you react emotionally to a certain situation. Be objective!
TAURUS (April 20-May 20) -- You'll be called upon today to do what no one else can -- and your success will be the result of instinct and intellect working together.
GEMINI (May 21-June 20) -- You'll be going against the current throughout much of the day, but you can still make progress of a kind that is least expected by you.
CANCER (June 21-July 22) -- Watch what

happens around you today in order to avoid a run-in that you cannot afford to have at this time. Navigation is tricky during the p.m.
LEO (July 23-Aug. 22) -- If it's comfort you're after, whether physical or emotional, you're going to have to work for it. Ultimately, the day ends on a satisfactory note.
VIRGO (Aug. 23-Sept. 22) -- You're eager for an outlet for your increasing physical energy -- and you're likely to find it working with a friend who knows what you're about.
LIBRA (Sept. 23-Oct. 22) -- Ask for help and you can have it today -- and perhaps more than you know what to do with. The time is right for cooperation of all kinds.
SCORPIO (Oct. 23-Nov. 21) -- Others may be drifting into your orbit today, and the reason becomes clear to you very quickly. You can provide what is universally needed.

SUNDAY, DECEMBER 15, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you can be quite inspiring to others without even trying, for when you go about your business you are sure to attract a great deal of attention, and those around you can learn a great deal from what you do and how you do it. You don't like to be considered an "expert," because you feel that will dampen your desire to excel; still, the truth is that when you apply yourself to an endeavor, you are likely to do it quite well -- and perhaps may become one of the best. You have a posi- tive outlook, and you are always willing to share yourself, your desires and your abilities with others.
MONDAY, DECEMBER 16
SAGITTARIUS (Nov. 22-Dec. 21) -- You're likely to be tapped into something today that others are sure to miss -- and this gives you an advantage when things heat up.
CAPRICORN (Dec. 22-Jan. 19) -- You're waiting for an explanation from someone who was out of line yesterday or the day

before. Don't count on being fully satisfied.
AQUARIUS (Jan. 20-Feb. 18) -- You may think that something new is going to last a long time, but it's likely only your initial excitement. The fun may not last.
PISCES (Feb. 19-March 20) -- You may be coming off one of your occasional "highs" today -- but you can keep yourself from sink- ing too low by joining a group effort.
ARIES (March 21-April 19) -- A certain hazard can be avoided today, but you're going to have to give up something in order to gain a bit more in the way of safety.
TAURUS (April 20-May 20) -- Others may be misinterpreting
