HOROSCOPES *by Stella Wilder*

YOUR BIRTHDAY by Stella Wilder

Born today, you are likely to know exactly what you want to do with your life from a very early age -- and indeed, you will always have a sense, shared by those who know you well, that you have a destiny to be fulfilled. That destiny is sure to shape your life, but it will not prevent you from making mistakes, surely -- especially where personal affairs are concerned.

THURSDAY, DECEMBER 19

SAGITTARIUS (Nov. 22-Dec. 21) -- If it's more money you want, you're going to have to make some tricky arrangements with others -- and quickly, too. Even pennies count!

CAPRICORN (Dec. 22-Jan. 19) -- You may have to make changes to your usual operating procedures today. Someone is willing to take on a little more responsibility.

AQUARIUS (Jan. 20-Feb. 18) -- You require more up-to-date information today in order to complete an essential task. A domestic situation heats up unexpectedly.

PISCES (Feb. 19-March 20) -- Someone offers a solution to a problem that works for him, but you find that it's not one you can try -- yet. Another route is open to you.

ARIES (March 21-April 19) -- You cannot see what is ahead of you with great clarity today; you may have to rely on someone you don't know well for guidance.

TAURUS (April 20-May 20) -- Someone close to you has been waiting quite a while to share a certain piece of information with you; listen closely and be receptive!

GEMINI (May 21-June 20) -- A personal situation becomes even more personal today when you realize that you've been tricked in some way. Payback is not the answer, surely.

CANCER (June 21-July 22) -- Someone brings you something that can be quite valuable to you when you make it a part of what you are doing at this time.

LEO (July 23-Aug. 22) -- You can prove quite lucky today, but you're not willing to consider that your success is due to anything but your own hard work. It is a factor.

VIRGO (Aug. 23-Sept. 22) -- You may find that you've gone to the wrong source for the information you need right now. It's not too late to chart a new course.

LIBRA (Sept. 23-Oct. 22) -- You have more at your disposal today than you had originally expected. You may be required to leave one thing and tend to another.

SCORPIO (Oct. 23-Nov. 21) -- Someone close to you may warn you against taking any action that is not approved or sanctioned. Indeed, now is no time to break any rules.
