

tonight’s best

Snoopy

8 p.m. on ABC
Happy New Year, Charlie Brown
Good grief! Who assigns elementary-school children “War and Peace”? Charlie Brown’s teacher, that’s who. He has to read it over the Christmas break and write a report, but holiday distractions keep getting in the way. He ends up leaving a New Year’s party and sitting outside to read, but that doesn’t end well. Chad Allen (“Dr. Quinn, Medicine Woman”) provides the voice of Charlie Brown in this animated 1986 “Peanuts” special.

9 p.m. on NBC
Movie: Dolly Parton’s Coat of Many Colors
Though she’s not actually a star of it, country-music icon Parton is a huge factor of this 2015 TV movie — in the form of her nine-year-old self, portrayed by Alyvia Alyn Lind. Fellow singing star Jennifer Nettles and Rick Schroder play the young, Smokey Mountains-raised Dolly’s parents, who were huge influences on her ... as was the very special coat that gives the movie and Parton’s same-named song their title. Gerald McRaney also stars as her grandfather.

9 p.m. on BBCA
Doctor Who
“Doctor Who” fans don’t get a brand-new Christmas episode this year as they have so often in the past, but here’s the next best thing: a recently reconstructed lost adventure from Season 4, “The Macra Terror,” in which the TARDIS arrives on a human colony that appears to be a holiday camp. The level of happiness makes the Second Doctor (Patrick Troughton) and his companions (Anneke Wills, Michael Craze, Frazer Hines) suspicious, however. The episode uses surviving audio from 1967 accompanied by new animated visuals.

10 p.m. on TRUTV
The Carbonaro Effect
A new episode called “Vanishing Daycare” finds mischievous magician Michael Carbonaro at a thrift store, where he transforms a t-shirt into a garment that’s suitable for all four seasons. Later, at a daycare facility, his assistant thinks she is losing more than her mind. In a museum, Michael’s helper runs scared when a sculpture starts to slither away. Another new episode immediately follows.
