HOROSCOPES by Stella Wilder

WEDNESDAY, DECEMBER 25, 2019
YOUR BIRTHDAY by Stella Wilder

Born today, you are determined not to miss out on any opportunities that present themselves to you throughout what is quite likely to be an unusually long and active life. One of the strategies you will no doubt learn and use to your advantage from a quite early age is to say "yes" to almost anything that comes up! Should you decide you have to change your mind, or simply choose one endeavor over another for whatever reason, so be it -- but by saying "yes" you are maximizing your potential.

THURSDAY, DECEMBER 26
CAPRICORN (Dec. 22-Jan. 19) -- You may be growing tired of holding someone's hand through a problem that should have been solved by now. Get ready to cut the cord!

AQUARIUS (Jan. 20-Feb. 18) -- You're sure to receive news today from someone who doesn't yet want to go it alone. Be avail-

able, but measure your commitment.

PISCES (Feb. 19-March 20) -- You'll want to take all precautions today as you face a situation that is only vaguely familiar to you. Full immersion will be tricky!

ARIES (March 21-April 19) -- What comes in and what goes out are, of course, closely related. You must keep accurate records today, lest you begin wasting resources.

TAURUS (April 20-May 20) -- You should be able to move forward without increasing the level of danger. Follow in someone's footsteps until you know what lies ahead.

GEMINI (May 21-June 20) -- An error is made today, and corrected too -- though you're not likely to be in the clear just yet. You may have to answer a lot of questions.

CANCER (June 21-July 22) -- You may be tempted by someone who doesn't even know he or she is tempting you. Take care that you don't say or do anything inappropriate.

LEO (July 23-Aug. 22) -- A friend or

neighbor adds some spice to your day, and later you may be able to incorporate what he or she has contributed on a permanent basis.

VIRGO (Aug. 23-Sept. 22) -- You'll want to be appreciative of what others offer today, even though not all of it may prove useful right away, if ever.

LIBRA (Sept. 23-Oct. 22) -- You may have to improve your attitude today before you can enjoy the fruits of recent labors. Never forget you're part of a team.

SCORPIO (Oct. 23-Nov. 21) -- No matter how seriously you take your work, you must be able to laugh at yourself. In this way you can disarm even your most vocal critics.

SAGITTARIUS (Nov. 22-Dec. 21) -- You must be sure your priorities are straight -- and evident to others. You will face criticism if it's not clear what comes first to you.

HOROSCOPES by Stella Wilder

THURSDAY, DECEMBER 26, 2019
YOUR BIRTHDAY by Stella Wilder

Born today, you are never too far from the action, and when you are not immersing yourself fully in what is going on around you, you can be counted on to launch as much activity as possible so that you never let a day go by without doing something you consider of value. You cannot abide wasted time, and, indeed, you will do anything possible to avoid doing nothing! You are quick to take chances when you are bored, and this can lead to problems both professionally and personally; your best bet is to engage your mind and body.

FRIDAY, DECEMBER 27
CAPRICORN (Dec. 22-Jan. 19) -- You may feel as though you're not in sync with those on your team today. Remedies can be found; you can trust some unusual sources.

AQUARIUS (Jan. 20-Feb. 18) -- Someone who trusts you implicitly is likely to recommend you for a task you never thought would

fall to you. Your work can be impressive.

PISCES (Feb. 19-March 20) -- You can expect a change to come over a friend or loved one who has been under your influence for some time. Be ready to respond in kind.

ARIES (March 21-April 19) -- Something lost quite some time ago may find its way back to you today after following a long and circuitous path. It's time to rejoice!

TAURUS (April 20-May 20) -- You want to be directly involved in what is going on today, but that may not be possible. Stay in touch with those in the thick of things.

GEMINI (May 21-June 20) -- You'll have cause to stand up for yourself in no uncertain terms today. A critic comes to the fore and may challenge you in a new way.

CANCER (June 21-July 22) -- You're more than willing to do what you can to help someone in need today -- but you cannot make an indefinite commitment. Be clear and specific.

LEO (July 23-Aug. 22) -- You are likely to be in agreement with others where the big

picture is concerned, but you'll almost certainly differ about the details.

VIRGO (Aug. 23-Sept. 22) -- You may not be in the mood to share that which you have worked so hard to acquire. You'll be forgiven for being less generous than usual.

LIBRA (Sept. 23-Oct. 22) -- It's a good day to weigh all your options. Be realistic about things that are presented to you, and don't fall prey to a hard sell.

SCORPIO (Oct. 23-Nov. 21) -- You will want to follow another's lead today, if only for a while. By day's end, it'll likely be time to break off and go it alone.

SAGITTARIUS (Nov. 22-Dec. 21) -- You know you must do more to focus your energy and attention, but you're not sure to what end. Take a look around and consider the unusual.
