HOROSCOPES

by Stella Wilder

MONDAY, DECEMBER 30, 2019
YOUR BIRTHDAY by Stella Wilder
Born today, you are certainly original, but that doesn't mean you go against the grain at all times. Rather, you pick and choose with great care when to do what is expected or required, and when to go off on your own and do things entirely your way -- and even when you do eschew the rules and push the boundaries, others are usually more than pleased with the results.
TUESDAY, DECEMBER 31
CAPRICORN (Dec. 22-Jan. 19) -- You're likely to do something entirely new today, but before you do, you'll want to learn about it from those who have gone before.
AQUARIUS (Jan. 20-Feb. 18) -- You may be wondering if you can believe those who report on something you're going to do later in the day. This may be a matter of faith.
PISCES (Feb. 19-March 20) -- Someone's expertise can see you through a suddenly

difficult situation today. You must be willing to trust him or her implicitly.
ARIES (March 21-April 19) -- The obsta-
cles that lie ahead of you can be overcome very simply if you maintain a positive attitude and your preparations have been complete.
TAURUS (April 20-May 20) -- The unex-
pected holds sway throughout the day, and you'll be responding in ways that also take you very much by surprise. This is evolution!
GEMINI (May 21-June 20) -- How much "original" material are you able to come up with today as you plan a certain task or endeavor? You needn't always do something new.
CANCER (June 21-July 22) -- You may be surprised to learn that someone has been watching out for you -- and today it makes a difference as you take a calculated risk.
LEO (July 23-Aug. 22) -- You can trust someone else to take the lead today while you work in the background doing that which is

uneen but effective -- and essential.
VIRGO (Aug. 23-Sept. 22) -- You'll have the chance to say "I told you so" to one of your naysayers today -- but don't overdo it, or the situation may reverse itself.
LIBRA (Sept. 23-Oct. 22) -- You will want to be there for someone who must go through something difficult today. Encouraging words at just the right times can work won-
ders.
SCORPIO (Oct. 23-Nov. 21) -- You may find yourself playing catch up today while those around you are moving forward unim-
peded. It'll be your turn very soon, surely.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll learn a great deal today from someone who is not unwilling to share what he or she knows. The info proves immediately useful.
