HOROSCOPES by Stella Wilder

SATURDAY, JANUARY 18, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are one of the most curious individuals born under your sign, but unlike the cat who was killed by just such a trait, you're sure to thrive because you are more than willing to delve into all manner of things for very good reasons. You consider yourself a student of life, and your way of looking at the world is warm, tolerant and accepting.
SUNDAY, JANUARY 19
CAPRICORN (Dec. 22-Jan. 19) -- You may have to do a little more digging than usual today before you come up with the answer you seek. An expert shows you the way.
AQUARIUS (Jan. 20-Feb. 18) -- Follow in the footsteps of someone you admire today; you'll learn a great deal about yourself -- and discover a new creative outlet.
PISCES (Feb. 19-March 20) -- That which

begins in the most casual manner is likely to become quite serious before the day is out. Can you afford to make such an investment?
ARIES (March 21-April 19) -- You may discover that you have much more in common with someone than you had suspected. The proof is surprising to both of you!
TAURUS (April 20-May 20) -- The more you insist that someone do things in a certain way, the more likely he or she will be to resist you. Try a more subtle approach.
GEMINI (May 21-June 20) -- Be as thorough as you can be today, especially when looking into the causes of something that has affected your entire way of looking at the world.
CANCER (June 21-July 22) -- It's unlikely that you will have all your questions answered today, but it is quite probable that others will question what you have to offer.
LEO (July 23-Aug. 22) -- You may be seeing things through a lens that is not of your

making -- nor is it really suited to you. Try to develop a new perspective.
VIRGO (Aug. 23-Sept. 22) -- You cannot afford to let a project go off course at this time. Many people exert controlling influences, but yours counts most of all.
LIBRA (Sept. 23-Oct. 22) -- You're waiting for someone to give you the final word on something that has been in limbo for a while, but that final word won't change much.
SCORPIO (Oct. 23-Nov. 21) -- All you have to do to prevail today is answer questions honestly and do what comes naturally. Being true to yourself is all-important.
SAGITTARIUS (Nov. 22-Dec. 21) -- It's important for you to remember exactly who is on your side, who is not and those you may be able to sway before the day is out.
