HOROSCOPES

by Stella Wilder

THURSDAY, JANUARY 23, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are a class act, and anyone who knows you, works with you, plays with you or even simply enjoys a brief interaction with you can testify to that fact. Hardworking and ambitious, you will never run roughshod over another in order to satisfy your own desires; rather, you will work with others in order to further your own personal agenda, even as you help them pursue theirs. You are a born leader.
FRIDAY, JANUARY 24
AQUARIUS (Jan. 20-Feb. 18) -- An issue cries out for your attention today, but you may not be willing to give it a glance until someone steps aside and gives you room to work.
PISCES (Feb. 19-March 20) -- Tension builds today over an issue that neither you nor another party wishes to speak about openly -- and that is the mistake! Start talk-ing!

ARIES (March 21-April 19) -- You can do much for someone today who has done much for you in the past. It's not the end of this mutually beneficial arrangement.
TAURUS (April 20-May 20) -- Your ability to see things as they are will come in very handy today as you fight against someone's unwillingness to face the truth.
GEMINI (May 21-June 20) -- You may be going through a difficult time today, but someone close to you is willing to do more than usual to see you through it.
CANCER (June 21-July 22) -- You are more interested in what someone else is doing, perhaps, than you are in your own endeavors. It may be time to change course -- for good!
LEO (July 23-Aug. 22) -- Your schedule leaves you only so much room to maneuver today, but maneuver you must as you deal with a situation promoted by a rival.
VIRGO (Aug. 23-Sept. 22) -- You may be feeling as though you will never stand a

chance when it comes to a certain competi-tion -- but your standing is quite high.
LIBRA (Sept. 23-Oct. 22) -- You can tend to issues in the order that they arise today. Focus on that which enlivens you and gives you a clear view of the future.
SCORPIO (Oct. 23-Nov. 21) -- You may have to take steps today -- but you're unwill-ing to share them with anyone else before you swing into action.
SAGITTARIUS (Nov. 22-Dec. 21) -- An ordinary encounter becomes extraordinary quite by accident today -- and you're in a position to make things right with an old friend.
CAPRICORN (Dec. 22-Jan. 19) -- You can't wait too long for the answer to a certain question today. If it doesn't come when you expect it to, you must move on.
