Girl Scout Cookie Championship

Actress Alyson Hannigan hosts this new reality competition built around America's obsession with these iconic fundraising cookies in a series of challenges to five talented bakers, who are tasked with transforming these bestselling treats into stellar dishes and cakes. Judges Nacho Aguirre and Katie Lee, plus a rotating third colleague, evaluate their efforts. In "Galactic Transformations," the bakers first transform the familiar cookies into dozens of cookie pops inspired by outer space, then rush off to the Liberty Science Center to sell their creations to hungry cookie lovers.

McMillions\$

Mark Wahlberg is among the executive producers of this six-part docuseries, which chronicles the bizarre yet true story of a 1990s fraud case in which \$24 million was stolen from the McDonald's Monopoly game, which awarded prizes to the company's fast-food customers. Unfortunately, customers and most McDonald's executives were unaware that the biggest winning tickets were being stolen and sold to winners via a complex web of friends and family members who became co-conspirators. An anonymous 2001 tip to the FBI triggered a far-reaching investigation.
