tonight's best

Levy Tran

8 p.m. on CBS
MacGyver

Expect relationship dynamics on this show to do some shifting in the aftermath of former series regular George Eads' Season 3 departure, partly because of new series regular Henry Ian Cusick ("Lost"). As Season 4 opens, his character, Oxford-educated Russ Taylor, upsets the Phoenix Foundation apple cart by challenging how Mac (Lucas Till) and his team are used to doing things. Levy Tran, who joined the cast last when Eads left, gets bumped to series regular as her character, Desi Nguyen, takes on more responsibility.

8:25 p.m. on MAX
Movie: The Old Man & the Gun

Robert Redford earned warm reviews and a Golden Globe nomination for his performance as career criminal and prison escape artist Forrest Tucker in writer-director David Lowery's 2018 dramedy that is loosely based on a 2003 New Yorker article. Casey Affleck, Sissy Spacek, Danny Glover and Tom Waits also appear. Upon completion of the film in 2018, Redford, 82, announced his intent to retire from acting.

10 p.m. on SHOW
Mo'Nique & Friends:
Live From Atlanta

Academy Award-winning actress and comic Mo'Nique ("Precious") hosts an evening of stand-up comedy from the vintage Atlanta showplace Variety Playhouse, in this new special taped last October. Guest performers include Correy B, Prince T-Dub, Just Nesh, Tone-X and Donnell Rawlings.

11 p.m. on HBO
High Maintenance

The Guy (Ben Sinclair) continues to find his life intersecting with those of his New York pot clients as this quirky sitcom returns for Season 4. In the premiere, "Cycles," The Guy finds a lost pooch, and a reporter who has pitched a story to her editor about her parents' marriage inadvertently strains her own relationship when her out-of-town boyfriend visits for their anniversary weekend. Elsewhere, a singing telegram performer in a bad mood looks for some relief. Natalie Woolams-Torres, Marcus Pérez and Larry Owens guest star.
