# HOROSCOPES

by Stella Wilder

THURSDAY, FEBRUARY 6, 2020  
YOUR BIRTHDAY by Stella Wilder  
Born today, you have no equal when it comes to ideology and personal expression, perhaps, for your way with words is something to behold – persuasive, poetic and even at times magical, for you are able to do with the turn of a phrase what has been impossible to do any other way. Indeed, doing the impossible is what you are all about; you want to challenge yourself and others to seek new ways to do things, new roads to travel and new goals to set.  
FRIDAY, FEBRUARY 7  
AQUARIUS (Jan. 20-Feb. 18) -- You're ready to get started on something new, but without the guidance of a friend who's been in your shoes, you won't progress quickly.  
PISCES (Feb. 19-March 20) -- Someone is waiting for you to make the first move, but this is news to you. Don't spend too much time wondering what's expected of you -- yet.  
ARIES (March 21-April 19) -- Take care

that you're not expecting others to believe what is simply unbelievable. You must begin dealing once more in truth, not fantasy!  
TAURUS (April 20-May 20) -- You shouldn't have to worry about certain issues that you've put behind you, at least temporarily. A mentor is able to guide you out of danger.  
GEMINI (May 21-June 20) -- There's such a thing as being too confident -- and today, you're nearing that dangerous boundary. You don't want to get anyone hurt!  
CANCER (June 21-July 22) -- A little joke can be too much today if the timing is right and you have misjudged your audience. A more serious approach may be required.  
LEO (July 23-Aug. 22) -- The difference between the literal and the figurative should be abundantly clear to you today, as you are dealing in both simultaneously.  
VIRGO (Aug. 23-Sept. 22) -- You don't have to like people to work with them. You should be able to maximize returns by avoid-

ing any emotional involvement whatsoever.  
-- Cooperation may be hard to come by today, and you are likely to conclude that for the time being you are best to work entirely on your own.  
SCORPIO (Oct. 23-Nov. 21) -- Focus on what others are doing for a while, and you'll see just where you fall in the scheme of things. You cannot avoid making comparisons.  
SAGITTARIUS (Nov. 22-Dec. 21) -- A friend or loved one may be looking to you for solace, and you know just what to say or do. You make an offer that surprises even you!  
CAPRICORN (Dec. 22-Jan. 19) -- You may be slowed by your outdated way of thinking. You will want to gather more up-to-date information and adjust your attitude.
