HOROSCOPES

by Stella Wilder

SATURDAY, FEBRUARY 8, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you are not one of those who craves the limelight -- though you can acquit yourself well when you find yourself the center of attention. Nor are you the kind to insist on calling the shots, for the responsibility of being in charge is, to you, a stressor that you simply do not need. And you don't want to come up with all the ideas, either, or organize a team, for you feel you are not always up to maintaining the sort of creative steam or discipline that such activities require.

SUNDAY, FEBRUARY 9
AQUARIUS (Jan. 20-Feb. 18) -- You are eager for the support of a certain someone today, but it may be difficult to explain why. Let your actions speak for you this time.

PISCES (Feb. 19-March 20) -- What you do is likely to tell more of a story in your favor today than anything you might say. An ally works to gather more support for you.

ARIES (March 21-April 19) -- Despite any plans you may have made, the day is likely to progress in a manner that defies anticipation -- or understanding. Go with the flow!

TAURUS (April 20-May 20) -- You'll want to emphasize certain things as you work your way through this complicated day. The reactions of others can be shaped.

GEMINI (May 21-June 20) -- You want others to know that you are confident in both your motives and your methods. Someone comes to your aid -- and someone else departs.

CANCER (June 21-July 22) -- You've been making some wild claims lately, perhaps, but today you should be able to do much to demonstrate the truth of what you've said.

LEO (July 23-Aug. 22) -- You can do much to help others today -- and to prepare them for what lies ahead. You seem to know better than anyone what the rules really are.

VIRGO (Aug. 23-Sept. 22) -- You may not be able to make adjustments exactly as you might wish today, but you can surely make any maneuver pay off if your timing is correct.

LIBRA (Sept. 23-Oct. 22) -- You're likely to discover that you and a rival are really working toward the same common end -- and for the same reason. This is good news!

SCORPIO (Oct. 23-Nov. 21) -- You'll want to establish a pace and a rhythm today that you can maintain, come what may. This will require a great deal of inner strength.

SAGITTARIUS (Nov. 22-Dec. 21) -- You are eager to arrange a reunion with those who make your work better and more enjoyable. A team effort is favored at this time.

CAPRICORN (Dec. 22-Jan. 19) -- The power of persuasion works to your advantage during the first part of the day -- but later on you'll have to fight against a shifting tide.

HOROSCOPES

by Stella Wilder

SUNDAY, FEBRUARY 9, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you come across as quite forceful and may cultivate a rather stern and even frightening demeanor, and yet you can actually be quite meek at times -- and your sentimentality and emotional nature are well-known to those close to you. Indeed, the emotional currents that run beneath your "rough and tough" exterior are likely the very reason you do what you do, and you are quite adept at using your emotional energy in creative ways.

MONDAY, FEBRUARY 10
AQUARIUS (Jan. 20-Feb. 18) -- Dispensing compliments cannot be expected to do for you what you really wish -- but it's still a matter of courtesy and will be appreciated.

PISCES (Feb. 19-March 20) -- You may have to back out of a current project and let someone take your place. It's time to start working on something more personal.

ARIES (March 21-April 19) -- You can spend a good deal of time talking over old times with a friend -- but soon you'll have to acknowledge the elephant in the room.

TAURUS (April 20-May 20) -- A favor you do for someone is actually one you do for yourself, as you're likely to benefit in ways that really make a difference for you.

GEMINI (May 21-June 20) -- You're going to have to get certain things done before you turn your mind to the one thing you most want to do. It's a matter of priority.

CANCER (June 21-July 22) -- Your preparations are sure to be quite thorough, but you may not know quite what is going to happen when you do what you are preparing for.

LEO (July 23-Aug. 22) -- Focus on what is going on in the background in order to come to a much more thorough understanding of what is happening right in front of you.

VIRGO (Aug. 23-Sept. 22) -- Share your thoughts with those who support you, as any attempt to persuade those who have made up their minds against you will not go well.

LIBRA (Sept. 23-Oct. 22) -- You must take care of yourself in ways that matter only to you. No one else is likely to give you what you really need at this time.

SCORPIO (Oct. 23-Nov. 21) -- You can turn a bleak picture into something much brighter and more radiant today -- and others will gladly adopt this positive outlook.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may have to remind those in charge that you never promised to do the impossible. What you've done to date must be good enough.

CAPRICORN (Dec. 22-Jan. 19) -- You are in a far better position right now than you had any reason to expect. You have yourself to thank -- and a friend behind the scenes.

(EDITORS: For editorial questions, please contact Hallie Witting at hawitting@astoreview.com.)

MONDAY, FEBRUARY 10, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you aren't likely to do things the way you are supposed to throughout your life, and you will almost always walk a fine line between acceptability and controversy -- in all things, including business and personal affairs. Strangely, for one who insists on bucking the system and doing things your way, you take criticism to heart and are often quite upset when you hear, even through the grapevine, that your behavior is being met with disapproval.

TUESDAY, FEBRUARY 11
AQUARIUS (Jan. 20-Feb. 18) -- You may have to make do today, as circumstances do not entirely support your efforts. You can prevail, but you'll have to be clever!

PISCES (Feb. 19-March 20) -- You'll no doubt have to do a little digging today in need. Nothing rests on the surface right now.

ARIES (March 21-April 19) -- Your day may fall together quite suddenly after you recognize a problem that you're not sure how to address. It's almost like magic!

TAURUS (April 20-May 20) -- A little wandering can do you a world of good today. You don't have to know where you are going at all times in order to benefit mightily.

GEMINI (May 21-June 20) -- You're likely to hear from someone today who is willing to do more for you than you had originally thought. Things are looking up as a result.

CANCER (June 21-July 22) -- A list of wants compared to a list of needs will look somewhat skewed today -- but you'll realize that you must focus on the needs first.

LEO (July 23-Aug. 22) -- A matter of taste will come between you and a friend who sees things very differently from you. You must be patient as this is worked out.

VIRGO (Aug. 23-Sept. 22) -- You may receive some pushback today from someone you've been trying to help for some time. He or she doesn't see things as you do.

LIBRA (Sept. 23-Oct. 22) -- You may find yourself gravitating toward someone who challenges much that you are about. What is really going on -- and are you in danger?

SCORPIO (Oct. 23-Nov. 21) -- Domestic bliss may be disturbed today by someone who intrudes in the most unexpected way -- from the inside! Make the rules clear!

SAGITTARIUS (Nov. 22-Dec. 21) -- Someone is likely to ask you what you want from the current situation, and you may not be able to answer. That's the problem right there!

CAPRICORN (Dec. 22-Jan. 19) -- A matter of official policy requires a great deal of thought today before you sign on to a project. There are things you disagree with.
