Kevin Boylan's artwork has evolved from

a foundation in ceramics to glass forms that play with color, intersecting line, and organic forms. His work draws inspiration from Northeast Oregon landscapes and his continual exploration of new techniques and mediums. Boylan has been working with art glass since the early 2000's and he recently opened his own studio, Birddog Glass, in La Grande.

Juxtaposition

Clark/Henderson Collaboration

May 1 - July 4, 2020

Opening Reception: Friday, May 1 from 6:00 - 8:00 pm

Free Admission

Juxtaposition features the work of La Grande artists Jeremy Clark and Theresa Henderson. An artistic conversation between their primary mediums - charcoal and fluid acrylic - the exhibit invites visitors to consider how different modes of artistic expression influence each other and the viewer when placed side-by-side. In order to inspire future artists, Clark and Henderson are donating all sales from the exhibit to the ACE Youth Scholarship Fund.
