YOUR BIRTHDAY by Stella Wilder

Born today, you are confident and capable, and there are times when it seems to others as if you don't even consider that you have any limits or boundaries, for you seem to behave as if the everyday rules that direct most people don't apply to you. Indeed, you are never all that eager to do what you are told, or what others do, or satisfy the expectations others may have. You want to do your own thing, and you understand that doing so may, now and then, set you against the powers that be and prevent you from progressing.

FRIDAY, FEBRUARY 14  
AQUARIUS (Jan. 20-Feb. 18) -- You may be discouraged by what you see out the window as the day begins, but you can do what you've promised after making a few adjustments.

PISCES (Feb. 19-March 20) -- You are eager to get in touch with someone who has been out of the picture for a while. Pressures at home build; you need a break of sorts.

ARIES (March 21-April 19) -- While others are taking sides, you can remain neutral and work toward a peaceful resolution of a problem that arose suddenly not long ago.

TAURUS (April 20-May 20) -- The mistakes you make today may not be memorable to most, but you'll surely keep them in mind as you move forward. They are not to be repeated!

GEMINI (May 21-June 20) -- Starting and stopping may both be difficult today, but you can enjoy things more than usual when you reach your stride and momentum takes over.

CANCER (June 21-July 22) -- What you see is not necessarily what you get today -- especially at home, where someone has decided that he or she can fool you repeatedly.

LEO (July 23-Aug. 22) -- Your reputation is sure to remain intact today, even as you deal with a problem that threatens those around you. Someone in charge gives way.

VIRGO (Aug. 23-Sept. 22) -- You must be efficient in all things today. Make a list, and be sure that you tend to your responsibilities in the right order. Prioritize!

LIBRA (Sept. 23-Oct. 22) -- You will not be happy doing the same old things today; you want to experiment with new ideas and new ways of implementing them. Be brave!

SCORPIO (Oct. 23-Nov. 21) -- You'll want to take a second look at something that others have dismissed after getting only a first impression. Something's going on.

SAGITTARIUS (Nov. 22-Dec. 21) -- What others do today must not be allowed to restrict poorly on you. Steer clear of those who would pull you into the fray for any reason.

CAPRICORN (Dec. 22-Jan. 19) -- You may well be on the right track, even though you are being faced with new difficulties throughout the day. Keep looking forward.
