YOUR BIRTHDAY by Stella Wilder

Born today, you have a lot more going on beneath the surface than you usually let on, and indeed, it may become a central part of your strategy in life to seem one thing to others while truly being something else again quite different. This is not something you will have to work at; in fact, you merely have to let those around you operate according to the misconceptions they have about you.

SATURDAY, FEBRUARY 22

PISCES (Feb. 19-March 20) -- You cannot afford to let people know all that is going on beneath the surface today, lest you put yourself in an overly vulnerable position.

ARIES (March 21-April 19) -- You should be able to proceed according to plan today, even though some circumstances do not seem immediately favorable.

TAURUS (April 20-May 20) -- Every effort you make today is likely to pay off in

some small way. It all adds up, and the overall results today should build momentum.

GEMINI (May 21-June 20) -- You can expect things to heat up considerably today after you accept another's terms for a competition of sorts. You must perform well!

CANCER (June 21-July 22) -- It may be difficult for you to make ends meet today, but by making at least one rather difficult decision, you should be able to get it done.

LEO (July 23-Aug. 22) -- You're more interested in what others have done in the past than in what you are expected to do in the future. This can provide a moment of discovery.

VIRGO (Aug. 23-Sept. 22) -- You and a friend make a pact of sorts, and as a result, neither of you should be in any real danger at this time. You have each other's backs!

LIBRA (Sept. 23-Oct. 22) -- You may wake to find that you're under the weather, and though symptoms should not last long,

you are best to lie low as long as you can.

SCORPIO (Oct. 23-Nov. 21) -- You should have the advantage today, but what you do with it will make all the difference. One careless moment can ruin your whole day.

SAGITTARIUS (Nov. 22-Dec. 21) -- You must observe another's boundaries today, just as you expect him or her to observe yours. Progress stems from mutual respect.

CAPRICORN (Dec. 22-Jan. 19) -- You will want to steer clear of someone who insists on spreading his or her bad attitude to anyone nearby. You don't need this today!

AQUARIUS (Jan. 20-Feb. 18) -- You will surely want to stand up for yourself today -- but it's more important to know when the time has come for you to back off.
