HOROSCOPES by Stella Wilder

SATURDAY, FEBRUARY 29, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you consider yourself one of the most responsible and upstanding individuals born under your sign -- and so you are, in many ways. Your word is your bond, and you will never go back on a promise once it is given -- even if it means you must endure a great deal of hardship as a result. Highly principled, your actions are always a reflection of how you think and what you believe; you never do anything that is not, in some way, connected to the basics of your well-crafted ethics.
SUNDAY, MARCH 1
PISCES (Feb. 19-March 20) -- The plans you've been making will be ready to implement very soon, but you must take care that you're not rushing anyone in your care.
ARIES (March 21-April 19) -- You're likely to go farther today than expected, which means in the coming days you'll have less road to travel to reach your destination.
TAURUS (April 20-May 20) -- A memory inspires you to try something you've not enjoyed for quite some time. Before the day is out, an old friend contacts you.
GEMINI (May 21-June 20) -- You'll want to make your presence known today without actually encroaching on anyone's territory. Guidance is all you have to provide.
CANCER (June 21-July 22) -- You may be feeling responsible for something that happened to a friend or loved one -- but in fact, your involvement was only indirect.
LEO (July 23-Aug. 22) -- You receive advice today that you can begin to use almost immediately -- if you are willing to let go of some outdated notions of propriety.
VIRGO (Aug. 23-Sept. 22) -- As you strategize today, you'll want to keep someone's opinions squarely in mind. You ignore what others think and feel at your peril.
LIBRA (Sept. 23-Oct. 22) -- You can prove to someone that you are, indeed, the right person to be dealing with a certain complicated issue. Take the reins today!
SCORPIO (Oct. 23-Nov. 21) -- You risk letting a personal situation get out of control today. Listen to what someone is telling you, and respond accordingly.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may be feeling closer to someone whose influence on you has been quite profound. It may be time to make direct contact.
CAPRICORN (Dec. 22-Jan. 19) -- Protect your privacy today, and don't let anyone tell you that what you are doing isn't right for you. You know best what will win results.
AQUARIUS (Jan. 20-Feb. 18) -- The ideas you've been toying with during the past few days may come together today in a manner that accelerates your personal progress.
