YOUR BIRTHDAY by Stella Wilder
Born today, you are motivated, determined and always on the lookout for a new project that allows you to put to good use your ability to size up things and assess situations. Indeed, you are perhaps better at knowing what you are facing at any given moment than anyone else born under your sign. You have a knack for putting two and two together, for determining what is actually going on when much is happening beneath the surface and for taking action that gives you the advantage when others are left holding the bag.
MONDAY, MARCH 2
PISCES (Feb. 19-March 20) -- You may have to take charge in no uncertain terms today. Rallying your forces should prove a job that boosts your confidence.
ARIES (March 21-April 19) -- You're nearing the end of something that will, ultimately, make you quite proud -- and that may

profit you in many other ways as well.
TAURUS (April 20-May 20) -- You will likely have to face an unpleasant domestic situation today in order to steer everyone involved in the right direction.
GEMINI (May 21-June 20) -- An accomplishment gives you cause for reflection today, as you encounter a few surprising difficulties. You mustn't give up -- yet.
CANCER (June 21-July 22) -- You'll see that it's going to be your turn very soon, and you can use the time available to you to prepare fully for what is approaching.
LEO (July 23-Aug. 22) -- Now is no time to play copycat. You'll want to assert your individuality, surely, and come up with something wholly original.
VIRGO (Aug. 23-Sept. 22) -- You may be waiting for others to tell you what to do, but instructions may not reach you in time. Are you willing to take the initiative?
LIBRA (Sept. 23-Oct. 22) -- You'll want to clean up any and all messes today -- but take

care that you don't immerse yourself in something that proves to be too much for you.
SCORPIO (Oct. 23-Nov. 21) -- You must be willing to trust those who are in a position to guide you over difficult terrain. You'll be able to take over very soon.
SAGITTARIUS (Nov. 22-Dec. 21) -- A mistake costs you today, but you don't have to keep paying for it after you've acknowledged how and when you can correct it.
CAPRICORN (Dec. 22-Jan. 19) -- Someone is eager to see you step out of your comfort zone today. You can satisfy that desire and your needs at the same time.
AQUARIUS (Jan. 20-Feb. 18) -- A heart-to-heart talk yields information that will prove most helpful to all involved. You needn't forge ahead entirely on your own.

MONDAY, MARCH 2, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are an energetic and driven individual, compelled to do all you can to better yourself in virtually any situation, whether or not it is outwardly advantageous to you. You are highly creative, and you know how to combine your artistic aims with a hardworking practicality that allows you to get things done in a manner that is down-to-earth and reliable -- and this is a central component of your ultimate success. You love a good adventure, and though you are not foolhardy in any way, you will certainly try most things at least once.
TUESDAY, MARCH 3
PISCES (Feb. 19-March 20) -- Someone may be enabling you in a way that is not altogether apparent -- and it's not necessarily a bad thing. Explore all pros and cons.
ARIES (March 21-April 19) -- Your work has been suffering as you've sunk into a period marked by a distinct lack of enthusi-

asm. A change of venue may help enormously.
TAURUS (April 20-May 20) -- You are in no mood to take your problems to the usual people today; someone relatively new on the scene may prove an attractive alternative.
GEMINI (May 21-June 20) -- Timing is of the essence today -- but this is no surprise. You've been preparing yourself for an important shift -- and today's the day.
CANCER (June 21-July 22) -- You may be making important decisions based on faulty information. You should try going to different sources to correct your stance.
LEO (July 23-Aug. 22) -- Now is no time to pass judgment on others, lest they do the same to you. Criticism may be too much for you to bear right now.
VIRGO (Aug. 23-Sept. 22) -- You must be willing to take turns today -- and woe to you should you choose to jump places in line! You must play by the rules in all things.
LIBRA (Sept. 23-Oct. 22) -- Someone is

likely to ask you for assistance today -- but you won't be sure what you can possibly do to help. Later, an idea takes shape.
SCORPIO (Oct. 23-Nov. 21) -- Think about what you're going to say today before you say it. You needn't respond to someone's request before you are truly ready.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may require some personal information from someone who is unwilling to give it -- until you can prove that you are no threat.
CAPRICORN (Dec. 22-Jan. 19) -- Numbers and letters may arrange themselves in patterns today that only you can identify; such things are more meaningful than usual.
AQUARIUS (Jan. 20-Feb. 18) -- You may be growing tired of someone's uncooperative attitude, but instead of reacting, why not try to determine what's really going on.
