tonight's best

Daniel Craig

8 p.m. on HBO
Movie: Yesterday

Richard Curtis ("Love Actually") wrote the screenplay for Oscar winner Danny Boyle's ("Slumdog Millionaire") 2019 romantic comedy-fantasy, which stars Himesh Patel as Jack Malik, a struggling musician who is knocked unconscious by a bus during a 12-second global blackout. When he regains consciousness, he discovers that he is the only person in the world who remembers the Beatles. Spotting a dubious opportunity, Jack begins performing the band's songs and claiming credit for them. Lily James, Ed Sheeran and Kate McKinnon also star.

8:29 p.m. on NBC
Saturday Night Live

In his iconic role as James Bond, Agent 007, Daniel Craig has a license to kill, but does that extend to a comedy audience? Stepping well outside his usual comfort zone, Craig — who showed moviegoers a slyly funny side of his craft in the 2019 sleeper hit "Knives Out" — fearlessly takes the stage in NBC's fabled Studio 8H to play with this show's seasoned sketch comedy veterans. The Weeknd is tonight's musical guest.

9 p.m. on OWN
Love Goals

Spirit, a family and relationship therapist, counsels five celebrity couples who have reached a crossroads in their relationships in this new unscripted series. The underlying issues they face range from the stresses of fame and power, incidents of infidelity and communication problems, and overcoming life-altering trauma that occurred back in childhood. Featured couples include Benzino and Althea Hart ("Love & Hip Hop: Atlanta"), former NFL star and rapper Dwayne "Money" Bowe and wife Theresa; and former Salt-N-Pepa member Dee Dee "Spinderella" Roper and comic Quenton "Q" Coleman.

9 p.m. on SHOW
Movie: Captive State

Rupert Wyatt directed and co-wrote this 2019 sci-fi thriller set in 2027 Chicago, starring Ashton Sanders ("Moonlight") as Gabriel Drummond, a young man participating in a covert resistance movement against extraterrestrials who invaded and placed much of Earth under martial law a few years earlier. John Goodman also stars as a police official who once was the partner of Gabriel's late father, an early alien casualty. Jonathan Majors, Machine Gun Kelly, Vera Farmiga, Alan Ruck and Kevin Dunn also star.
