tonight's best

Matt Long

8 p.m. on FOX  
9-1-1

In a new episode called "Fools," the team responds when a viral stunt goes off the rails and an epic first date fails, and also helps a couple whose fishing trip has turned into a disaster. Meanwhile, Athena (Angela Bassett) investigates a woman who doesn't remember getting shot in the head, and Eddie (Ryan Guzman) has to have a difficult conversation with Christopher (Gavin McHugh). Bryan Safi, Shari Belafonte and Greg Evigan guest star.

10 p.m. on FX  
Breeders

Paul and Ally (Martin Freeman, Daisy Haggard) can't bring themselves to shed a tear when Sprout, the family gerbil, finally expires in the new episode "No Dad." Later, though, they're surprised to discover that explaining loss to kids Luke and Ava (George Wakeman, Jayda Eyles) is more difficult than they had anticipated, as grief manifests itself in mysterious ways, throwing the family off course.

10:01 p.m. on NBC  
Manifest

Zeke's (Matt Long) condition deteriorates as his death date looms, so he decides to confront his past, but Saanvi (Parveen Kaur) is determined to secure a new future for him in the new episode "Unaccompanied Minors." Elsewhere, Ben and T.J. (Josh Dallas, Garrett Wareing) are led to an unexpected loved one by a pair of linked callings, while Michaela (Melissa Roxburgh) faces a tough moral decision when her own calling instructs her to let a criminal go free.

Sudoku solution (puzzle is on page 9)
