HOROSCOPES by Stella Wilder

SATURDAY, MARCH 21, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are something of a chameleon, and you may confuse a great many people as to your origins, for you can be one person in one moment, another in the next and someone else again quite different the next -- and it's anyone's guess which version of you will be presented to them at any given time. Of course, you know better than anyone that they're all you, all a part of the whole that you have cultivated -- for indeed, you are perhaps more a result of your own intentions and desires than anyone else born under your sign.

SUNDAY, MARCH 22
ARIES (March 21-April 19) -- If you think it's time to move on from a certain endeavor or way of being, you have another think coming. It's actually time to reconnect!
TAURUS (April 20-May 20) -- You cannot assign portions of your emotional being to this, that or the other. You will feel what you will feel fully, at all times, today.

GEMINI (May 21-June 20) -- Your eagerness may be challenged today by someone who is not at all willing to go where you are leading. There may be a parting of ways.
CANCER (June 21-July 22) -- You may want to have a third party nearby today when resolving a long-standing issue between you and a former friend.
LEO (July 23-Aug. 22) -- Those who were close to you in your "former" life may surprise you today by supporting you wholeheartedly in a new endeavor. These are true friends!
VIRGO (Aug. 23-Sept. 22) -- You can expect things to get a little tricky today, especially if you have to navigate someone's unrealistic approach to a problem.
LIBRA (Sept. 23-Oct. 22) -- Many will be drawn into your orbit today, not because of anything you say or do, but simply because of who you are. This is beneficial.
SCORPIO (Oct. 23-Nov. 21) -- You will have to trust someone today, so why not start with yourself? You'll find it's easier to trust others if you begin at home, as it were.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may not be eager to show off a certain facet of your rather complex nature, but today there is likely to be no way around it at all.
CAPRICORN (Dec. 22-Jan. 19) -- You must take every opportunity to observe and assess what is going on around you today. You can't let another's actions go unnoticed.
AQUARIUS (Jan. 20-Feb. 18) -- Even accidents will be of great import today. The moment someone tells you that something "doesn't matter," you know it does!
PISCES (Feb. 19-March 20) -- Experimentation will not only provide you with a great deal of information today, but it can also be quite fun. A partner tells a secret.
