WOMEN'S & CHILDREN'S CLINIC
PEDIATRIC SERVICES

Did you know the Children's Clinic builds room in their schedule for same-day sick visits?

With the addition of Dr. Zach and Dr. Eve, the Children's Clinic is fully staffed and can accommodate more same-day sick visits than before. These appointments are made on a first come, first serve basis, and are intended for illness or other non-emergent urgent care needs. Parents should continue to schedule well-child appointments in advance with their primary care provider.

If your child needs a same-day visit for illness or other urgent health concern, we encourage you to call the Children's Clinic first for appointment availability.

Let's Keep Our Distance & Keep COVID-19 Under Control

It's up to each of us to contain the spread of COVID-19. Here's how you can do your part:

Please remember, even those who are healthy and not at risk can contribute to the spread and have a devastating effect on the most vulnerable members of our community. Let's work together to keep our friends, families and neighbors safe!

- Keep at least 6 feet away from other people
- Wash your hands with soap frequently
- Avoid group gatherings
- Avoid touching your face
- Stay at home as much as possible
- Use services like delivery and curbside pickup whenever possible to avoid close contact with others

We are closed during the Covid-19 crisis
