Let's Keep Our Distance & Keep COVID-19 Under Control

It's up to each of us to contain the spread of COVID-19. Here's how you can do your part:

- Keep at least 6 feet away from other people
- Wash your hands with soap frequently
- Avoid group gatherings
- Avoid touching your face
- Stay at home as much as possible
- Use services like delivery and curbside pickup whenever possible to avoid close contact with others

Please remember, even those who are healthy and not at risk can contribute to the spread and have a devastating effect on the most vulnerable members of our community. Let's work together to keep our friends, families and neighbors safe!
