'R'		(:45) "The Brothers" 'R'					

tonight's best

Jay Hernandez

8 p.m. on CBS
MacGyver

In the new episode "Code & Artemis & Nuclear & N3mesis," Mac's (Lucas Till) friends all surround their teammate during his time of grief, but soon the real world inserts itself via a fresh crisis. The Los Angeles power grid is taken hostage in a ransomware attack that results in a citywide blackout. As the crew springs into action, they're stunned to discover that the code used in the attack was written by Riley (Tristin Mays) several years ago. Tate Donovan reprises his recurring role.

8 p.m. on NBC
The Blacklist

As the team investigates a mysterious disappearance in the Alaska Triangle, this Blacklist case takes a decidedly personal turn for Agent Park (Laura Sohn) in a new episode called "Twamie Ullulaq." Elsewhere, Aram (Amir Arison) turns to Red (James Spader) for help with finding out what really happened to Elodie's (guest star Elizabeth Bogush) husband. Diego Klattenhoff and Megan Boone also star.

9 p.m. on CBS
Magnum P.I.

It's definitely do-or-die time for this reboot of the fondly remembered 1980-88 Tom Selleck crime drama as this remake returns to finish out its second season in a time slot recently vacated by another, more successful reboot: "Hawaii Five-0," which ran for 10 seasons. In tonight's midseason premiere, "Say Hello to Your Past," Magnum and Higgins (Jay Hernandez, Perdita Weeks) launch a frantic search for Kumu (Amy Hill) after she is kidnapped by an injured man accused of killing his wife.

10 p.m. on MAX
Strike Back

The penultimate episode of this action drama finds Chetri (Varada Sethu) on the run and Carolyn (Lorraine Burroughs) in hot pursuit of them, forcing Novin, Wyatt and Coltrane (Alin Sumarwata, Daniel MacPherson, Jamie Bamber) to weigh personal loyalty against duty and self-preservation. Since the team is still blacklisted and left with few resources, S20 seeks help from some Russian allies to fight Russian foes, while the hunt for Zayef's (Alec Secareanu) hard drive continues.
