YOUR BIRTHDAY by Stella Wilder

Born today, you can be rather tough to handle at times, particularly because you are so dead set against anything with which you disagree and are determined to do precisely what you think is right in any given situation -- regardless of the cost. While you are sure to attract your share of admirers, it is more apt to apply to you the old adage: You are defined by the enemies you make. This is because you are sure to make more than your share of enemies in your lifetime.

WEDNESDAY, APRIL 8

ARIES (March 21-April 19) -- Some deep feelings are likely to surface today, but you may not understand their significance until you are faced with an unexpected choice.

TAURUS (April 20-May 20) -- You'll be most content working from your home base today. As long as you remain accountable to the powers that be, you can make this work.

GEMINI (May 21-June 20) --

Communication is the key to overall success today. The first time, however, that you choose not to pass on a message, you invite many setbacks.

CANCER (June 21-July 22) -- You'll come to a more accurate understanding of your emotions today, especially with regard to a situation too long avoided.

LEO (July 23-Aug. 22) -- You are able to bring many influences together today and create something memorable as a result. Inspiration and perspiration get the job done.

VIRGO (Aug. 23-Sept. 22) -- Your dreams may actually frighten you today, but if you keep moving forward, you'll realize they're telling you what you already know.

LIBRA (Sept. 23-Oct. 22) -- The changeable becomes constant today, thanks to your hard work. Others see in what you have done a template for future success.

SCORPIO (Oct. 23-Nov. 21) -- Career questions arise yet again, but you're more equipped this time to answer them in a real-

istic manner. Don't balk at a friend's suggestion.

SAGITTARIUS (Nov. 22-Dec. 21) -- Reason and logic help you get around a stubborn obstacle today. This tells you much about how you should approach a coming challenge.

CAPRICORN (Dec. 22-Jan. 19) -- Nonverbal communication tells you more today than anything you could possibly hear or read through conventional means. Keep your eyes open!

AQUARIUS (Jan. 20-Feb. 18) -- You may not be aware of it, but you've been sending mixed signals to someone who is eager to square things away with you once and for all.

PISCES (Feb. 19-March 20) -- You'll have to work with someone today who shares neither your motives nor your methods, but a small adjustment makes this turn out well.
