WOMEN'S & CHILDREN'S CLINIC
PEDIATRIC SERVICES

Did you know the Children's Clinic builds room in their schedule for same-day sick visits?

With the addition of Dr. Zach and Dr. Eve, the Children's Clinic is fully staffed and can accommodate more same-day sick visits than before. These appointments are made on a first come, first serve basis, and are intended for illness or other non-emergent urgent care needs. Parents should continue to schedule well-child appointments in advance with their primary care provider.

If your child needs a same-day visit for illness or other urgent health concern, we encourage you to call the Children's Clinic first for appointment availability.
