THURSDAY, APRIL 9, 2020

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you know how to face some of the most demanding situations that the stars can devise and present, and you never seem to break stride while doing so. Indeed, you are perhaps more prepared than anyone under your sign to deal with the unexpected, and you are perfectly capable of doing so on your own or as a member of a team. You have complex emotions, and yet you never let yourself be ruled by them; you will always assess with great care how you feel about any given thing.  
FRIDAY, APRIL 10  
**ARIES (March 21-April 19)** -- You've recently made a decision that suddenly seems ill-advised. It's not too late to go back and reexamine your thought process.  
**TAURUS (April 20-May 20)** -- You may be attracted all over again to something that others have warned you away from in the past. Is the danger real or merely illusory?

**GEMINI (May 21-June 20)** -- Events today may offer you a refresher course in honesty and humility. You can surely benefit from this important lesson -- and pay it forward.  
**CANCER (June 21-July 22)** -- Words and actions combine to great effect today. You are able to do more than you had planned, and you win more than you had anticipated.  
**LEO (July 23-Aug. 22)** -- You are troubled by the thought that you've recently misrepresented yourself. Go to those who are directly involved, and ask the question.  
**VIRGO (Aug. 23-Sept. 22)** -- Listen carefully to what others have to tell you, and you'll be in a much better position to tell others what to do when the time comes.  
**LIBRA (Sept. 23-Oct. 22)** -- What you imagine happening today can really happen, provided you've laid the groundwork. You can't just make things up today!  
**SCORPIO (Oct. 23-Nov. 21)** -- You may not be a fan of an activity you are requested to partake in today, but you should be able to acquire yourself.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- Though you are surely no newcomer, you will benefit from being reminded of some of the most basic procedures today. Make no assumptions.  
**CAPRICORN (Dec. 22-Jan. 19)** -- You can fill your heart and soul with all manner of good things today, but if you pay no attention to physical needs, it will be for naught.  
**AQUARIUS (Jan. 20-Feb. 18)** -- A message gets to you late today, but not so late that you cannot respond effectively. Choose your words and actions with care.  
**PISCES (Feb. 19-March 20)** -- You are getting very close to the edge today, and if you're not careful, you may fall into the abyss. This emotional situation requires care.
