HOROSCOPES by Stella Wilder

YOUR BIRTHDAY by Stella Wilder
Born today, you are a powerful and charismatic person, and you are capable of overcoming all manner of obstacles in your life -- even those that you place in your own way! It may surprise you to learn that you are often the author of your own setbacks, but this is only because you are usually trying to do so much that inevitably you are going to fall short at something. Fortunately, you are quick to learn from the negative as well as the positive, and you're not likely to repeat what has gone before, whether negative or positive, as you pursue the future -- often with the bit between your teeth.
MONDAY, APRIL 20
TAURUS (April 20-May 20) -- You're likely to reveal something that has been hidden for some time. What you do afterward will reveal much about yourself to others.
GEMINI (May 21-June 20) -- You'll want to give a portion of what you gain to those less fortunate than yourself. Your generosity is an example to live up to.
CANCER (June 21-July 22) -- There's little or no chance today that you'll be able to avoid doing the one thing you don't want to do. It must be done -- and it's your turn.
LEO (July 23-Aug. 22) -- You've been waiting for just the right moment to unveil something you've long been preparing -- and today's the day. Are you truly ready?
VIRGO (Aug. 23-Sept. 22) -- You may be able to help someone deal with a certain loss or hardship today. You learn a great deal about what is possible as a result.
LIBRA (Sept. 23-Oct. 22) -- You may suddenly find yourself in a new phase of sorts today. It's a perfect time to reassess your goals and rearrange priorities.
SCORPIO (Oct. 23-Nov. 21) -- A discovery sets you off on a journey today, but you will little time to prepare before taking your first steps in a new direction.
SAGITTARIUS (Nov. 22-Dec. 21) -- Your personal issues that must be resolved.
CANCER (June 21-July 22) -- Someone is waiting for you to make your contribution to a collaborative effort -- but something is holding you back that must be identified.
LEO (July 23-Aug. 22) -- You can work out a clever compromise with someone who is eager to see a major issue resolved effectively. Your ideas rise to the top today.
VIRGO (Aug. 23-Sept. 22) -- You receive news that has you changing gears more than once today. One project can be completed just in time, even as you begin another.
LIBRA (Sept. 23-Oct. 22) -- Open your eyes and you'll see something today that has been hidden from you for far too long. Honest talk with a friend yields great benefits.
SCORPIO (Oct. 23-Nov. 21) -- An assignment proves more difficult than expected today. You have all the right tools, but you need to gain more practical experience.
SAGITTARIUS (Nov. 22-Dec. 21) -- One idea leads to another and another and yet another in quick succession today as you ride a wave of heightened creativity.
CAPRICORN (Dec. 22-Jan. 19) -- You must be willing to work within the boundaries you've set for yourself. Today, it does you no good whatsoever to exceed your limitations.
AQUARIUS (Jan. 20-Feb. 18) -- You'll be keenly aware of all the different nuances that another presents today as you work toward a shared goal. You must be flexible.
PISCES (Feb. 19-March 20) -- You may be tempted to break the rules today, but be warned! Someone is watching you; you don't want to get yourself into lasting trouble.
ARIES (March 21-April 19) -- You feel the vibrations caused today by a conflict that erupts far from home. What happens after that is likely to surprise you most of all.
