WOMEN'S & CHILDREN'S CLINIC

PEDIATRIC SERVICES

Did you know the Children's Clinic builds room in their schedule for same-day sick visits?

With the addition of Dr. Zach and Dr. Eve, the Children's Clinic is fully staffed and can accommodate more same-day sick visits than before. These appointments are made on a first come, first serve basis, and are intended for illness or other non-emergent urgent care needs. Parents should continue to schedule well-child appointments in advance with their primary care provider.

If your child needs a same-day visit for illness or other urgent health concern, we encourage you to call the Children's Clinic first for appointment availability.

Let's Keep Our Distance & Keep COVID-19 Under Control

It's up to each of us to contain the spread of COVID-19. Here's how you can do your part:

- Keep at least 6 feet away from other people
- Wash your hands with soap frequently
- Avoid group gatherings
- Avoid touching your face
- Stay at home as much as possible
- Use services like delivery and curbside pickup whenever possible to avoid close contact with others

Please remember, even those who are healthy and not at risk can contribute to the spread and have a devastating effect on the most vulnerable members of our community. Let's work together to keep our friends, families and neighbors safe!

We are closed during the Covid-19 crisis
