YOUR BIRTHDAY by Stella Wilder

Born today, you are, like so many of your fellow bulls, compelled to do what you feel you are meant to do -- both professionally and personally. You are certain that you have a "destiny," and you are confident that you can fulfill it -- even when others are standing in your way. You rely on your unique character to see you through situations that might be too much for others; you trust who you are, you rely on your instincts and you never allow anyone to restrict the free exploration of your talents.

SUNDAY, APRIL 26

TAURUS (April 20-May 20) -- A rough patch is coming to an end at this time in a satisfactory manner. Today, you can throw your hat in the ring for future consideration.

GEMINI (May 21-June 20) -- Don't say no to anyone offering assistance today. The help you get won't just matter to you now, it will also be of long-term value.

CANCER (June 21-July 22) -- You are able to discern the good in much that you see around you today -- even though someone you know is likely to throw a damper on things.

LEO (July 23-Aug. 22) -- You needn't pretend to be enthusiastic today about someone's plans if you are not, but neither do you have to rain on his or her parade.

VIRGO (Aug. 23-Sept. 22) -- You may want to restructure your overall attitude about things today before someone calls you out, rightly, for being something of a downer.

LIBRA (Sept. 23-Oct. 22) -- You don't have to give up control of a certain project just because someone wants in; he or she can play a supporting role, surely.

SCORPIO (Oct. 23-Nov. 21) -- You may want to examine certain elements of your daily life more closely today, as the finer points and details can prove quite educational.

SAGITTARIUS (Nov. 22-Dec. 21) -- You cannot count on an early quitting time today; you may have to work overtime to complete certain key steps of a current project.

CAPRICORN (Dec. 22-Jan. 19) -- You have a new way of approaching an old, familiar task. What you do is sure to affect those around you in a profound and lasting way.

AQUARIUS (Jan. 20-Feb. 18) -- It's not likely that what you know is what you will encounter today -- and, in fact, the less familiar is likely to pull you in!

PISCES (Feb. 19-March 20) -- A long-standing desire may be satisfied today, but in a manner you would never have expected. Do you dare ask for more? Go for it!

ARIES (March 21-April 19) -- You must not go against your instincts today as you place a bet on something that is in flux. You know what is favored and what is not.
