YOUR BIRTHDAY by Stella Wilder

Born today, you have tremendous confidence born of self-awareness, and you are always treading a path that leads to a place you want to go -- personally, professionally or both. You are flexible, however, and you do everything in such a manner that you are able to shift gears quickly, change your mind about central issues and alter your course with a minimum of fuss. In short, you never lock yourself into something that cannot be changed -- even when it comes to love and romance.

THURSDAY, APRIL 30
TAURUS (April 20-May 20) -- You are asked to do something today that is outside your comfort zone, but some clever improvisation allows you to meet the challenge.

GEMINI (May 21-June 20) -- Tensions are cooled today when you join the fray. You are able to use what you know, as well as your easy approach, to facilitate progress.

CANCER (June 21-July 22) -- You may not be able to clear all obstacles from that path that lies ahead, but recent experience tells you that you can overcome them.

LEO (July 23-Aug. 22) -- You may have to embrace a necessary evil today in order to avoid something else that could be much worse. A friend arrives just in time.

VIRGO (Aug. 23-Sept. 22) -- Your views clash with those of another -- but that prompts you to examine what you think in a new way. You'll win praise for your objectivity.

LIBRA (Sept. 23-Oct. 22) -- You may not know, at the outset, just how you will get a certain task completed on time -- but you are helped by someone unknown to you.

SCORPIO (Oct. 23-Nov. 21) -- What you provide to others throughout the day will be quite valuable, but you can't expect everyone to benefit as you might hope.

SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't neglect your own needs today -- and

that means you may have to turn your back on someone else -- at least temporarily.

CAPRICORN (Dec. 22-Jan. 19) -- You may have to make yet another trip in order to address a problem that still has nothing directly to do with you. This is nothing new!

AQUARIUS (Jan. 20-Feb. 18) -- You may not understand the reasons you have been assigned a certain task, but you can surely perform it well and have a lasting impact.

PISCES (Feb. 19-March 20) -- You will have to take steps to ensure that things pan out the way you envision them. A sudden development means flexibility is a must.

ARIES (March 21-April 19) -- Trust is a central issue throughout the day. You will surely want to speak your mind when someone gives you the opportunity to do so.
