Hand to Heart Scholarship Fund

During the challenging times we have all experienced this spring, our scholarship fund has never been more relevant and needed. Crossroads started the Hand to Heart Scholarship fund in the late 1980's to make sure people of all ages could access our programs regardless of their financial situation. It has been a bedrock of our organization ever since. If you see a class you would like to take and you cannot afford to do so, go to our website at www.crossroads-arts.org or stop by Crossroads and pick-up a Scholarship Form. We invite you to assist with costs of the class as best you are able. Some can pay a small amount towards the class, others donate time to volunteer at Crossroads- we honor everyone's dignity. We have multiple fundraisers a year to make sure we have plenty of funds in our Scholarship account. Donations are always welcome!

Class Minimums and How to Sign Up for Classes

Our time working from home allowed us the opportunity to do some serious number crunching. These numbers revealed some things we have thought to be true as well as some surprises. One conclusion that came from the numbers is that we need at least 3 participants to hold a class. Our teachers' time is valuable and we need to insure that offering the class makes sense to them as well as the art center. Please help us fill our classes by signing up early, asking a friend to join you for a class, or helping promote our classes through social media. Remember you can sign up for classes through our website www.crossroads-arts.org - this is currently the best way to sign up and pay for class. At the time of this printing our hours of operation are still unsure as is our ability to answer phone messages. Feel free to email cherie@crossroads-arts.org if you have questions about classes.

Thank You

With thanks to the DE and Jane Clark Fund of Oregon Community Foundation and the US BANK FOUNDATION we will make this quarterly class schedule available to Everyone in Baker City!
