HOROSCOPES by Stella Wilder

THURSDAY, MAY 14, 2020
YOUR BIRTHDAY by Stella Wilder
 Born today, you can be considered very much ahead of your time, and as a result, you may find it difficult to navigate the world in which you live simply because you are not likely to be understood -- even by those who know you best. While this may get you down when you are young, you'll almost certainly learn to deal with it in stride as you mature. In fact, you may actually discover that it is possible to turn it to your advantage.
FRIDAY, MAY 15
TAURUS (April 20-May 20) -- You are advantageously close to letting someone take advantage of you at this time. Look closely at the circumstances, and draw clear boundaries.
GEMINI (May 21-June 20) -- It's a good day to look within yourself for those things you'd usually look for without. Strength and resolve are soon on the rise.
CANCER (June 21-July 22) -- You have

much to do, but you should find yourself in the groove very quickly today and enjoy rapid completion of your many assigned tasks.
LEO (July 23-Aug. 22) -- You may be confusing financial gains with personal contentment -- and they are hardly comparable! You want to focus on the latter at this time.
VIRGO (Aug. 23-Sept. 22) -- You've been fighting your own inner demons for quite some time, and today you may see a way to gain the upper hand -- perhaps permanently.
LIBRA (Sept. 23-Oct. 22) -- A message you send early in the day may not be fully understood by the recipient. Condense and clarify, and give it another try.
SCORPIO (Oct. 23-Nov. 21) -- You're known for making the best out of even the most difficult of situations, but today you may be defeated by one that's really no big deal.
SAGITTARIUS (Nov. 22-Dec. 21) -- Others may not be surprised when you experience a dramatic turnaround today. They

know something you don't, but you're catching up.
CAPRICORN (Dec. 22-Jan. 19) -- What you do today is almost certain to attract a good deal of attention. Someone who's been watching you has a proposition to make.
AQUARIUS (Jan. 20-Feb. 18) -- You may feel as though you've been spinning your wheels lately. Today, however, you can make a new start and increase your productivity.
PISCES (Feb. 19-March 20) -- You're going to have to do more than expected today if you and a friend are going to achieve a goal you've set together. Time is a key factor.
ARIES (March 21-April 19) -- You enjoy a sudden surge of energy today just when you need it most. A loved one comes to you with an offer you simply cannot refuse.
