**HOROSCOPES** by Stella Wilder

FRIDAY, MAY 15, 2020

**YOUR BIRTHDAY** by Stella Wilder  
Born today, you live a vibrant, colorful and adventurous life -- though often only in your dreams. When and where the world is unable to provide you with what you need to feed your soul, you are perfectly equipped to provide it for yourself -- through flights of fancy, creative expression and all manner of endeavors that spring from your rich and fertile imagination. You are just the kind of person that can lead others to the "promised land" -- if they are willing to believe what you believe and follow you faithfully.

SATURDAY, MAY 16

**TAURUS (April 20-May 20)** -- Many around you are taking shots in the dark, unaware of where the target really lies. You, however, hit it right on the nose almost immediately.

**GEMINI (May 21-June 20)** -- You have more to offer today than you suppose, and once you engage that which lies deep within, you'll surely succeed at almost any undertak-

ing.  
**CANCER (June 21-July 22)** -- You may feel unusually flirtatious today, but even as you send out signals to that special someone, you must limit your vulnerabilities.

**LEO (July 23-Aug. 22)** -- What is virtually useless to others may prove quite useful to you today, in a way that may surprise you. Be creative as you assess its value.

**VIRGO (Aug. 23-Sept. 22)** -- You'll receive nourishment today through means that you have not accessed in quite some time. You must feed your soul as well as your body.

**LIBRA (Sept. 23-Oct. 22)** -- Don't be too quick to judge that which you suppose to be of little value today. Explore it closely and your senses will be stimulated.

**SCORPIO (Oct. 23-Nov. 21)** -- You may be surprised at how quickly a loved one can have you responding to his or her every whim. Are you giving as well as receiving?

**SAGITTARIUS (Nov. 22-Dec. 21)** -- You're going to have to stand up to those who would

challenge you today. You can impress many with what's commonly called "backbone."

**CAPRICORN (Dec. 22-Jan. 19)** -- A difference of opinion needn't be allowed to escalate and become an outright clash. You'll recognize that it's all a matter of taste.

**AQUARIUS (Jan. 20-Feb. 18)** -- Going without something that someone would take from you may be like trying to live without a major organ: It's not something you should try!

**PISCES (Feb. 19-March 20)** -- Breathe and relax today, and you'll come to see that everything is, for now at least, exactly as it should be. It's time for reflection.

**ARIES (March 21-April 19)** -- You have something that sets you apart from those around you -- and today you can use it to make clear your superiority. Hold on tight.
