tonight's best

Amy Sedaris

8 p.m. on CW The 100

This sci-fi adventure series returns for its seventh and final season, picking up the action in the immediate aftermath of a Season 6 cliffhanger that saw an adult version of Hope (Shelby Flannery) showing up to stab Octavia (Marie Avgeropoulos). As the story picks up, a frantic Bellamy (Bob Morley) frantically tries to understand what just happened to his sister. Watch for Chad Rook to join the cast this season as Hatch, a charming convict from Eligius IV.

9:02 p.m. on FOX Ultimate Tag

NFL sibling trio J.J., T.J. and Derek Watt co-host this new game show based on the popular schoolyard chasing game. This new, high-octane re-imagining of the game, however, is highly physical, challenging contestants to vault, tumble, dodge and dive their way through several epic, threedimensional courses. As if that weren't enough, while the competitors are focused on executing all those physical challenges, they're also being pursued by Taggers, larger-than-life characters with a wide range of athletic skills. The ultimate rule of Ultimate Tag? Don't get caught!

9:03 p.m. on LIFE Once Upon a Quarantime

This new one-hour special shares the highly personal stories of real-life couples who have been self-filming their new reality under the COVID-19 pandemic. While the show is not scripted, there's definitely no shortage of drama as these all-too-human "characters" deal with pregnancies, quarantine weddings and politically charged border issues keeping them apart, all under the added stress of social distancing. These are diverse relationships being tested as never before.

10 p.m. on TRUTV At Home With Amy Sedaris

Actress and comedienne Amy Sedaris ("The Unbreakable Kimmy Schmidt") returns for Season 3 of her delightful, if somewhat deranged, Emmy-nominated variety sketch series, a sweet-natured parody of lifestyle shows. Each episode finds the star addressing a specific theme with special guests, as well as how-to demonstrations that are ... um ... unpredictable. Guest stars for Season 3 include Laura Benanti, Rachel Dratch, Ana Gasteyer, David Alan Grier, Jane Krakowski, Jason Sudeikis, Paul Rudd and Debi Mazar.
