'PG'									

tonight's best

Norma McCorvey

7 p.m. on TCM
Movie: The Daydreamer

The prolific production team of Arthur Rankin Jr. and Jules Bass are perhaps best known to fans for their long string of stop-motion animation specials that still air heavily in syndication, particularly around the holidays. The duo also collaborated on this delightfully whimsical 1966 feature that blends live action with stop-motion animation to chronicle the childhood of Hans Christian Andersen (Paul O'Keefe), with Jack Gilford as his father and Ray Bolger and Margaret Hamilton as local characters. The voice cast also includes stars ranging from Tallulah Bankhead to Hayley Mills.

8 p.m. on WTBS
Movie: San Andreas

This hit 2015 disaster movie depicts the havoc that ensues following tremors along the title fault line in California. The special-effects wizards are as much stars of the film as Dwayne Johnson, playing a rescue helicopter pilot who saves his estranged wife (Carla Gugino), then heads off with her to rescue their daughter (Alexandra Daddario). The fine supporting cast includes Paul Giamatti, Archie Panjabi ("The Good Wife") and Ioan Gruffudd ("Forever").

9 p.m. on FX
AKA Jane Roe

FX Networks' first documentary feature, this new film from producer-director Nick Sweeney profiles Norma McCorvey, the defendant in the historic Roe v. Wade Supreme Court case in 1973. That ruling found that state laws banning abortion were unconstitutional. The documentary chronicles how in the years after that, McCorvey dramatically changed her views on abortion, particularly after undergoing a religious conversion in 1995. She later would say that she considered her involvement in her landmark legal case the biggest mistake of her life.

9 p.m. on TDC
All on the Line

The bluefin tuna season in the waters around Gloucester, Mass., is nearly over for many boats, but this new unscripted series follows two strong-willed crews that are fighting to land even larger tuna as the brutal winter season sets in. In the face of even more daunting natural challenges, the plucky crews aboard the Julia Nicole and the Subdiver fishing boats have developed a special, more cooperative relationship in an industry that usually encourages and even demands cutthroat competition.
