HOROSCOPES by Stella Wilder

WEDNESDAY, MAY 20, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are highly expressive and always willing to share your thoughts and opinions with those around you. You have a habit of talking more than you listen, and that can occasionally cause problems for you -- especially when you encounter someone as vocal as yourself, or when you find yourself in a situation that requires you to learn rather than teach.
THURSDAY, MAY 21
GEMINI (May 21-June 20) -- You've not been taking things very well when it comes to opinions that differ from your own. It's time to pinpoint the cause of this problem.
CANCER (June 21-July 22) -- You mustn't let your eagerness be interpreted in the wrong way today. You're not about to give in to another's unreasonable demands.
LEO (July 23-Aug. 22) -- You may be considering something that was not on the

table before, but much has changed since you first found yourself in this position.
VIRGO (Aug. 23-Sept. 22) -- You're not willing to spend money on something sight unseen today. Negotiations will continue, therefore, until you strike a fair deal.
LIBRA (Sept. 23-Oct. 22) -- You've been limiting yourself to ideas others would consider small. Today you can begin to think big and anticipate a large reward.
SCORPIO (Oct. 23-Nov. 21) -- Someone dear to you is likely to think you are judging if you're caught watching what he or she is doing too closely. Keep your distance!
SAGITTARIUS (Nov. 22-Dec. 21) -- You and a loved one will have to compromise when it comes to your destination today. You can't end up in two places at once, can you?
CAPRICORN (Dec. 22-Jan. 19) -- You may have changed your mind about something that was very important to you in the past. Today you can share how you feel with

friends.
AQUARIUS (Jan. 20-Feb. 18) -- It's important for you to solve a certain problem today without making a lot of trouble for anyone else. Approach it from the inside!
PISCES (Feb. 19-March 20) -- Now is not the time to insist that others do things your way. In fact, you can learn an important lesson by adopting another's methods.
ARIES (March 21-April 19) -- Others may seek you out today to address a problem that is quickly getting out of hand. Your honesty in this situation surprises even you!
TAURUS (April 20-May 20) -- You will likely realize that a decision made yesterday has come to fruition today in a manner that doesn't exactly provide what you wanted.
