HOROSCOPES by Stella Wilder

SATURDAY, MAY 23, 2020
YOUR BIRTHDAY by Stella Wilder
 Born today, you are destined to do things that attract a great deal of attention, but whether that will be positive or negative is anyone's guess! You are capable of doing much that is quite good, but context is perhaps the most important element of any endeavor you may choose, and it can decide whether you will be remembered for the good or the bad. You may discover that despite your best efforts, the effects of what you do may not match your intentions, and, therefore, the response you get from the world will likewise be very different from the one you would have preferred.
SUNDAY, MAY 24
GEMINI (May 21-June 20) -- The more you talk with those around you, the more you'll come to a lasting understanding of what makes you -- and them -- tick. This is progress!
CANCER (June 21-July 22) -- You may be sick and tired of all that words can and cannot do. What do you have to replace them? Others are eager to hear or see your answer.
LEO (July 23-Aug. 22) -- A little research compels you to look further into the truth of a certain issue that has come up again and again. You make real progress today.
VIRGO (Aug. 23-Sept. 22) -- Are you ready for what someone has to spring on you? It will be a surprise, but your preparations can keep you from being victimized.
LIBRA (Sept. 23-Oct. 22) -- You have more questions to ask today than answers to offer -- but those around you are willing to let you explore all possibilities for a while.
SCORPIO (Oct. 23-Nov. 21) -- Waiting doesn't mean doing nothing. Indeed, today you can make very good use of the time afforded you while you are waiting for something big.
SAGITTARIUS (Nov. 22-Dec. 21) -- You'll be able to absorb a great deal of useful information today, even if you find yourself surrounded by those who are uninvolved.
CAPRICORN (Dec. 22-Jan. 19) -- You may not enjoy a high level of certainty today, but even by asking questions you can put yourself on more solid ground. Confidence rises.
AQUARIUS (Jan. 20-Feb. 18) -- You know what's right around the corner, but you may choose to avoid it when you have the chance. Will this really be the wisest decision?
PISCES (Feb. 19-March 20) -- You can wrest the advantage from someone today in a swift moment of clarity. What you do with it depends on several variables.
ARIES (March 21-April 19) -- You're ready for more than what's on the table today. You must be willing to share what you know with others if you're going to win the day.
TAURUS (April 20-May 20) -- You and a friend feel very much the same way about a certain key issue, but you're likely to be at odds when it comes to taking action.
