HOROSCOPES by Stella Wilder

SUNDAY, MAY 24, 2020

YOUR BIRTHDAY by Stella Wilder

Born today, you are destined to have a great impact on the people you encounter in your lifetime -- and, quite likely, on many more than that. You are charismatic and memorable; you have the ability to say and do things that get to the heart of key matters and affect people directly. You are not the kind to enjoy small talk or trivial endeavors; rather, you want to spend your time discussing the important issues of the day, solving the world's problems and improving the lives of those you touch.

MONDAY, MAY 25

GEMINI (May 21-June 20) -- You may discover that you're in rather dangerous territory. Much of what you know comes in handy; what you don't dictates the course of the day.

CANCER (June 21-July 22) -- The help you get today will allow you to climb out of a rut of your own making -- but that may only

make you mad at yourself for a while.

LEO (July 23-Aug. 22) -- The rules you break today are nobody's favorites, but you're likely going to have to answer to some authority figure before the day is out.

VIRGO (Aug. 23-Sept. 22) -- An old friend reaches out to you, and you mustn't let any sort of guilt or discomfort prevent you from making contact. It's time to reconnect!

LIBRA (Sept. 23-Oct. 22) -- You are hoping for something that is likely out of reach -- but for how long will that be the case? You can close the gap today.

SCORPIO (Oct. 23-Nov. 21) -- You are growing tired of experts who keep coming up empty when faced with the problem you present. Perhaps a solution is close at hand.

SAGITTARIUS (Nov. 22-Dec. 21) -- No matter whom you go to today for expert advice, what you hear is not likely to please you. You're going to have to explore on your own.

CAPRICORN (Dec. 22-Jan. 19) -- You'll

be in a position of authority today -- but that authority extends only so far. Even someone in charge must answer to someone else.

AQUARIUS (Jan. 20-Feb. 18) -- You have much to gain today, but you're going to have to give up something of value before you begin making headway. Choose wisely.

PISCES (Feb. 19-March 20) -- You are juggling more than one project, and the situation you face today may require you to choose one over all others, at least temporarily.

ARIES (March 21-April 19) -- You and a loved one must agree to disagree today or you may reach an impasse that threatens to undo the progress you've recently made.

TAURUS (April 20-May 20) -- You may not be able to persuade everyone that you are in the right, but one or two supporters can do some of that work for you today.

YOUR BIRTHDAY by Stella Wilder

Born today, you know a good thing when you see one -- and most often the good things you see have originated with you! You are thoughtful, vibrant, imaginative and hard-working. You have a great deal of insight about the world around you, and you will take advantage of any and all opportunities to share that insight with others -- and often you don't even have to use words.

TUESDAY, MAY 26

GEMINI (May 21-June 20) -- You may be stubbornly refusing to do something you will ultimately enjoy once you get the hang of it. Why take this stance?

CANCER (June 21-July 22) -- You desire something that is currently out of reach, but that's nothing new when you consider the big picture. Be patient and wait your turn.

LEO (July 23-Aug. 22) -- You mustn't let a

trivial issue come between you and a friend. Afternoon hours may be chock-full of new opportunities and personal delights.

VIRGO (Aug. 23-Sept. 22) -- You may find yourself watching over someone before the day is out. Once you're at your post, nothing is likely to pull you away.

LIBRA (Sept. 23-Oct. 22) -- You have a question to ask a friend or loved one, but your fear of resurrecting an old argument may keep you from asking it until it's too late.

SCORPIO (Oct. 23-Nov. 21) -- The past reveals itself to you in a new way today, and you come to understand something that was, until now, an impenetrable mystery.

SAGITTARIUS (Nov. 22-Dec. 21) -- A conflict can be resolved quite easily today, but you must be the first to come up with a palatable solution. Take a generous stance.

CAPRICORN (Dec. 22-Jan. 19) -- You're full of wise things to say today, but not every-

one wants to listen to you -- yet. Very soon, you'll attract quite an audience.

AQUARIUS (Jan. 20-Feb. 18) -- You're likely to make a private mistake in a public way, and there's nothing you can do to take it back. You must make the best of it.

PISCES (Feb. 19-March 20) -- Something you've let go of recently proves itself to be quite important to you still. Messages you receive tell you that you may get it back.

ARIES (March 21-April 19) -- You know where you are and where you want to go, but it may be difficult today to spot just exactly where the path is that will take you there.

TAURUS (April 20-May 20) -- Unfamiliar territory need not be frightening to you today; you have what it takes to deal with any challenge that presents itself -- almost.
