HOROSCOPES by Stella Wilder

TUESDAY, MAY 26, 2020
YOUR BIRTHDAY by Stella Wilder

Born today, you may be quite surprised to learn that a great many people look up to you and see you as an example of how to look, how to speak and how to behave -- in short, they see you as a role model, as the kind of person they would like to be, and as such, you inspire people to improve themselves each and every day.

WEDNESDAY, MAY 27
GEMINI (May 21-June 20) -- You may have the chance to give a rival a little of his or her own medicine today, but is that really the way you want to play it? Kindness counts.

CANCER (June 21-July 22) -- You'll very much enjoy straying from the beaten path today, but when it's time to get yourself back home, you mustn't let anything stop you.

LEO (July 23-Aug. 22) -- Reflections on a time past have you thinking about how things might be in the near future, but you're going to have to assemble a crack team.

VIRGO (Aug. 23-Sept. 22) -- Developments are likely to be quite swift today, but you should be able to keep up. Play your cards right, and you may even have time to spare.

LIBRA (Sept. 23-Oct. 22) -- You don't want to be caught in the same trap that delayed you recently and kept you from doing what you wanted to do. Time for a new plan!

SCORPIO (Oct. 23-Nov. 21) -- You'll likely find a great deal of humor in a situation that no one else thinks is all that funny. Your unique perspective saves the day.

SAGITTARIUS (Nov. 22-Dec. 21) -- Maintain a constant pace today so you won't miss out on any opportunities that are presented. Keep your eye on the ball at all times.

CAPRICORN (Dec. 22-Jan. 19) -- You may be tempted to break the rules for some reason today, but the thought of hidden dangers prevents you from making such an error.

AQUARIUS (Jan. 20-Feb. 18) -- The demands you make of someone in your inner circle may be too much, and you know it -- though he or she may not tell you in so many words.

PISCES (Feb. 19-March 20) -- Focus on what you need today, and let others fend for themselves for now. There's no reason for you to be saving the world every day!

ARIES (March 21-April 19) -- You'll encounter some very strange circumstances today that require you to address issues you may have hoped would have remained hidden.

TAURUS (April 20-May 20) -- You'll want to reconsider a recent decision when someone points out that you have overlooked one or two key facts not immediately apparent.
