 YOUR BIRTHDAY by Stella Wilder

Born today, you are nothing if not original -- in thought, action and personality. It is very much as if the stars had set aside all that is different, fascinating and somewhat odd or unconventional to bestow upon you when your turn came -- and so you are different, fascinating and somewhat odd or unconventional in almost all things.

THURSDAY, MAY 28  
 GEMINI (May 21-June 20) -- You're coming to a very clear turning point today, and once you say what you have to say, you have no choice but to move in a new direction.

CANCER (June 21-July 22) -- It's a good day to go with the flow. Take care that you don't pay too much attention to what is going on beneath the surface.

LEO (July 23-Aug. 22) -- Work with what you have today, and don't expect anyone to give you anything more. This will work well for you; you're in a very good headspace.

VIRGO (Aug. 23-Sept. 22) -- The decisions you make today are going to affect many people outside your immediate circle. A mistake is made, but by whom?

LIBRA (Sept. 23-Oct. 22) -- You can explain things in more than one way today, but only one explanation really suits where you are at present. A friend knows what's up.

SCORPIO (Oct. 23-Nov. 21) -- You're likely to stumble on a solution to a problem that hasn't been available to you before. You must take advantage of it right away!

SAGITTARIUS (Nov. 22-Dec. 21) -- The steps you take toward a certain goal today can be measured very clearly; but they won't amount to as much distance as you had hoped.

CAPRICORN (Dec. 22-Jan. 19) -- Don't try to force anything to happen today. Sit back, and let things evolve organically. You know someone on the edge right now.

AQUARIUS (Jan. 20-Feb. 18) -- You mustn't let your feelings for someone get in the way of what you have to do today. Much depends on making all the progress you can.

PISCES (Feb. 19-March 20) -- Freeing yourself of a perceived restriction may be more difficult than expected today. Perhaps you are not seeing things clearly.

ARIES (March 21-April 19) -- Whether you consider yourself more or less fortunate than another isn't the issue today. What's important is how your actions measure up.

TAURUS (April 20-May 20) -- You are likely to realize today that you've been comparing yourself to another for far too long. Free yourself from that way of thinking.
