**HOROSCOPES** by Stella Wilder

SATURDAY, MAY 30, 2020  
**YOUR BIRTHDAY** by Stella Wilder  
 Born today, you seem at times to act in a manner that is against your own best interest, and that is because your personality is so complex and made up of so many seemingly contradictory facets that you are driven to do things that might seem to the unknowing observer to be self-defeating and dangerous. The fact is that you are not stranger to your own nature, of course, and you understand yourself better than many. You have what it takes to make quite a name for yourself, but you must always listen to the conflicting voices in your soul.  
**SUNDAY, MAY 31**  
**GEMINI (May 21-June 20)** -- You may be waiting for some bad news today, but while you wait, you mustn't act as if it's already arrived. Stay the course -- for now.  
**CANCER (June 21-July 22)** -- Are you ready to take on some more responsibilities? That's likely to be in your immediate future if it doesn't happen today. Look ahead.  
**LEO (July 23-Aug. 22)** -- The vast majority of Leo natives will secure some kind of guarantee from another that things will proceed apace. You can be one of them!  
**VIRGO (Aug. 23-Sept. 22)** -- You are learning something new at this time, even if you're not actively cracking the books. You can put this new knowledge to use very soon.  
**LIBRA (Sept. 23-Oct. 22)** -- Take some time to focus on yourself today. When it's time once again to turn your attention outward, the need to do so will be clear.  
**SCORPIO (Oct. 23-Nov. 21)** -- You may be eager to wrest control of a certain situation from someone who seems to be mismanaging it, but it's not yet time for an intervention.  
**SAGITTARIUS (Nov. 22-Dec. 21)** -- How you think about a certain key issue will prove important to those taking a certain journey with you. Share freely with them today.  
**CAPRICORN (Dec. 22-Jan. 19)** -- A revelation comes to you toward midday that allows you to proceed without making the major change you feared you would have to make.  
**AQUARIUS (Jan. 20-Feb. 18)** -- You overhear something that has you adjusting your own thinking about what lies ahead. Trepidation turns to anticipation very quickly.  
**PISCES (Feb. 19-March 20)** -- Though you may receive no guarantees today, you can better your odds by doing what you know is right -- and getting someone else to join you.  
**ARIES (March 21-April 19)** -- Your complaints are likely to fall on deaf ears today because the powers that be have more important things on the docket. Be patient!  
**TAURUS (April 20-May 20)** -- You may have to wade through information that comes to you piecemeal today in order to come up with what will be most useful to you.
