HOROSCOPES by Stella Wilder

TUESDAY, JUNE 2, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are far more likely than others born under your sign to forge a path for yourself that allows you to travel light, quickly and alone -- for you will therefore be able to make the most of virtually every situation you encounter, and it will allow you to be more nimble, flexible and reactive to the world around you than most others.

WEDNESDAY, JUNE 3
GEMINI (May 21-June 20) -- You'll get a good deal of enjoyment from a blast from the past today -- until you realize you may be getting in far too deep.

CANCER (June 21-July 22) -- A surprise catches you between one routine endeavor and another and has you shifting gears quickly and moving in a new direction.

LEO (July 23-Aug. 22) -- You're going to have more than you may be able to handle today when you pitch a new idea to a friend.

It may be time to shift into high gear.

VIRGO (Aug. 23-Sept. 22) -- The more careful you are in creating just the right effect today, the more you'll enjoy the process -- and the more others will enjoy the result.

LIBRA (Sept. 23-Oct. 22) -- Are you sure that you have interpreted recent instructions correctly? It may be that you're missing something that is the key to your success.

SCORPIO (Oct. 23-Nov. 21) -- You are likely to discover that something you've blamed on someone else for quite some time was actually your own doing. It's time for a remedy!

SAGITTARIUS (Nov. 22-Dec. 21) -- Why give someone the responsibility of doing what you know you can do better than anyone? Make the time and the effort!

CAPRICORN (Dec. 22-Jan. 19) -- You've been counting down the days and hours since you received a certain piece of information -- but what, really, have you done about it?

AQUARIUS (Jan. 20-Feb. 18) -- It may be time for you to risk it all on an idea you've been turning over in your mind for a while. You must not be afraid of being judged.

PISCES (Feb. 19-March 20) -- You're tired of doing a certain something that gives you no pleasure any longer, but who can take your place? The answer is right there.

ARIES (March 21-April 19) -- You're going to have to navigate certain unavoidable difficulties today as you try to get from here to there -- and, perhaps, beyond.

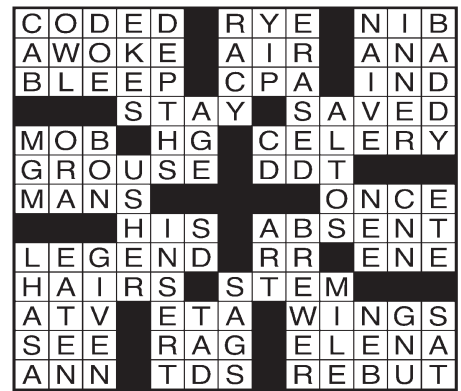

TAURUS (April 20-May 20) -- A reminder comes your way today, but it may not be the best time to drop what you are doing in response. You can salvage something gone awry.

WEDNESDAY, JUNE 3, 2020
YOUR BIRTHDAY by Stella Wilder
Born today, you are highly intelligent and drawn to puzzles of all kinds -- but those that involve others, and that are made up of the important issues of the day, hold you in thrall more than any others. Indeed, you are determined to make a name for yourself as one of the leaders of your time, and it really doesn't matter what your primary focus is, so long as you are not following in anyone's footsteps.

THURSDAY, JUNE 4
GEMINI (May 21-June 20) -- You mustn't let the pesky rules stand in your way today; there are ways around even the most officious of those who would expect compliance.

CANCER (June 21-July 22) -- A lull in the excitement allows you to take full stock of what has been going on. Are you at risk of running short of any key resources?

LEO (July 23-Aug. 22) -- Survival is the key today; you'll want to be sure that you live to fight another day, as your overall status is less important than availability.

VIRGO (Aug. 23-Sept. 22) -- You can add your voice to the mix today to ensure that all points of view are considered as the powers that be make a key decision.

LIBRA (Sept. 23-Oct. 22) -- A shock to the system has you stopped in your tracks for a time today. You mustn't let this last too long or you'll risk an entire project.

SCORPIO (Oct. 23-Nov. 21) -- A relationship may be threatened today by circumstances beyond your immediate control. You'll find out where your loyalties really are.

SAGITTARIUS (Nov. 22-Dec. 21) -- Something that appears to be nothing more than a crapsheet reveals itself to be something you can actually control -- at least for now.

CAPRICORN (Dec. 22-Jan. 19) -- You must perfect a plan that requires the utmost technique and timing. You can't afford to make a mistake at this late stage.

AQUARIUS (Jan. 20-Feb. 18) -- Though no one else may be aware of it, you may be fighting a fierce battle with anxiety right now. Reach out to get the help you need.

PISCES (Feb. 19-March 20) -- There's no good reason why you should go it alone. Ask for assistance today from someone who has been there and done that. You'll both learn a thing or two.

ARIES (March 21-April 19) -- You can show another how things are done today without attracting too much attention from others. You'll want to downplay your involvement.

TAURUS (April 20-May 20) -- You've created a situation for yourself that provides much of what you want; you may still find yourself yearning for that certain something.
