HOROSCOPES by Stella Wilder

THURSDAY, JUNE 4, 2020

YOUR BIRTHDAY by Stella Wilder
 Born today, you are far more intuitive than many, and you are likely to depend on your guts to guide you when you have to make an important decision. This is quite often a good thing, for you are able to sense much about an issue prior to making any lasting decisions -- and that often gives you an advantage over those who merely think about things and assess them based upon their measurable values.

FRIDAY, JUNE 5
GEMINI (May 21-June 20) -- You can provide another with just the right balance of guidance and criticism today. Very soon it'll be your turn to be in the hot seat.
CANCER (June 21-July 22) -- While you wait for someone to catch up with you, other peripheral issues can be addressed. Don't allow yourself to get stuck today.
LEO (July 23-Aug. 22) -- You're able to work at lightning speed today, and others will have to work to accommodate you. You don't need anyone right now.
VIRGO (Aug. 23-Sept. 22) -- You're eager for someone to know just what you have done in support of his or her efforts -- but the timing may not be right just yet.
LIBRA (Sept. 23-Oct. 22) -- It'll be important for you to get in on the ground floor of a new project being promoted by someone who can do you an important favor.
SCORPIO (Oct. 23-Nov. 21) -- It may fall to you to correct someone who has no idea that he or she is running afoul of the rules. Know you only have so much time.
SAGITTARIUS (Nov. 22-Dec. 21) -- You may not be able to take part in a certain endeavor as you had planned, but from a distance, you can provide more than moral support.
CAPRICORN (Dec. 22-Jan. 19) -- Confusion is not something that will help your cause today, surely. You must be certain everyone understands what you are up to.
AQUARIUS (Jan. 20-Feb. 18) -- You may be approaching a problem from the wrong direction today; the sooner you make adjustments, the better. Heed another's warning.
PISCES (Feb. 19-March 20) -- You've got quite a list to get through today, and you don't want to have to be working long after others have called it a day. Get moving now!
ARIES (March 21-April 19) -- You can take a more intellectual approach to a problem that tends to work others into an emotional froth. Your way is the better way.
TAURUS (April 20-May 20) -- If you pass judgment on another today, you're opening yourself up for the same kind of judgment from others. That's really not the point, is it?
