YOUR BIRTHDAY by Stella Wilder

Born today, you are one of the most outspoken, original and unabashed individuals born under your sign. Indeed, there are times when you may push the notion of "original" to extremes and say and do things that are intended to challenge, or even shatter, the status quo. The truth is, of course, that your primary motive is not to be different so much as to be yourself -- and whether the "real you" is different from others or similar to them is simply incidental, and not something you think about.

WEDNESDAY, JUNE 10

GEMINI (May 21-June 20) -- A little nostalgia can work wonders today, especially where your perspective is concerned. Don't get carried away, however!

CANCER (June 21-July 22) -- You're on the verge of an important discovery that can change the trajectory of your career -- and perhaps your life. Be ready for anything.

LEO (July 23-Aug. 22) -- The ball will be in your court today after someone close to you comes clean. The decisions you make now affect many for some time to come.

VIRGO (Aug. 23-Sept. 22) -- You mustn't let that certain someone slip from your mind today. Stay focused on what you can do to strengthen your relationship.

LIBRA (Sept. 23-Oct. 22) -- Waste no time or energy trying to hide how you feel about a certain issue. Expressing yourself openly and honestly is the best course.

SCORPIO (Oct. 23-Nov. 21) -- The possible proves impossible today for a variety of reasons -- but conversely, that which was impossible yesterday is possible today.

SAGITTARIUS (Nov. 22-Dec. 21) -- Your readiness for a certain endeavor may be doubted by some, but that's just because you've not been tooting your own horn -- yet.

CAPRICORN (Dec. 22-Jan. 19) -- You have a surprise in store for a loved one who fears that you've forgotten something he or she has been anticipating for some time.

AQUARIUS (Jan. 20-Feb. 18) -- Sharing your opinions with another means offering more than mere criticism. You must be willing to offer praise where it is deserved.

PISCES (Feb. 19-March 20) -- You and a rival must come to terms with a certain issue that has made things much more combative between you lately. It's your move.

ARIES (March 21-April 19) -- An accident proves fortuitous today -- but it's not something you really want to repeat. You must take extra precautions at this time.

TAURUS (April 20-May 20) -- You've been ignoring someone's behavior long enough; today you must be willing to step in and work toward a necessary change.
