7 p.m. on TRAV **Terror in the Woods** 

The new episode "It Was Just Like a Nightmare and We're Not Gonna Make It Out" delivers more first-person accounts of wilderness outings cut short by an unwanted brush with the spirit realm. The past comes back to haunt a group of Civil War re-enactors in the Virginia woods, while in another segment, two brothers encounter an aggressive Bigfoot while exploring an abandoned building in the lowa wilderness.

### 8 p.m. on HBO Movie: Ford v Ferrari

James Mangold's 2019 sports drama emerged as one of that year's winners from every perspective, earning big bucks at the global box office, cheers from critics and multiple accolades, including an Oscar nomination as best picture and wins in two editing categories. Matt Damon and Christian Bale head the cast as, respectively, automotive designer Carroll Shelby and British driver Ken Miles, leaders of an American team determined to build a new racing car that can break the Ferrari winning streak at Le Mans. Jon Bernthal also stars.

### 9 p.m. on HALL Movie: Love Under the Olive Tree

Nicole Cabella (Tori Anderson) yearns to expand her family's Northern California olive oil business, until her childhood crush, Jake Brandini (Benjamin Hollingsworth) - who also happens to be the heir apparent to a neighboring ranch — quite by accident discovers that his family owns the land Nicole wants to incorporate. Long-standing bad blood between the two families further complicates things, until a judge proposes awarding the property to whichever of the pair wins an upcoming olive oil competition. Gardiner Millar co-stars in this 2019 romance.

### 10 p.m. on OWN **Girlfriends Check In**

The Season 1 finale of this informal chat fest finds actress Tisha Campbell ("Last Man Standing") sitting down with gal pals Kym Whitley, Holly Robinson Peete and A.J. Johnson ("House Party") to dish on a variety of subjects including raising a family, learning to love yourself, dating and, of course, the mysteries of men. It adds up to a funny girls' night in.
