HOROSCOPES by Stella Wilder

SATURDAY, JUNE 20, 2020
YOUR BIRTHDAY by Stella Wilder
 Born today, you are perhaps the most individual of individuals born under your sign -- and that's certainly saying something! Indeed, you are perhaps more often mistaken for one of the more overt, aggressive and uncomplicated signs, for you don't seem to be made up of two natures paired within one soul, as most other Gemini natives are -- but that's because you are on the cusp.
SUNDAY, JUNE 21
CANCER (June 21-July 22) -- What you do for another is beneficial to you as well, though your gains aren't likely to be as dramatic. Prioritize what you can do together.
LEO (July 23-Aug. 22) -- You're likely to receive an offer of assistance from someone who has just emerged from the shadows. Follow up to see what this is really about.
VIRGO (Aug. 23-Sept. 22) -- An old friend reaches out just as you are tempted to do the same. If you cross paths, you'll want to make something of the encounter, surely.
LIBRA (Sept. 23-Oct. 22) -- What's next? That's the question that many are asking today -- and the one you seem to know the answer to, but your perspective is unique.
SCORPIO (Oct. 23-Nov. 21) -- You'll be aware of many signs and signals alerting you to a coming danger -- but are you able to maneuver to avoid it? Be ready for anything.
SAGITTARIUS (Nov. 22-Dec. 21) -- Someone gives you more information than you think you need, but by day's end, you'll find that you've used every piece to your advantage.
CAPRICORN (Dec. 22-Jan. 19) -- You'll want to do the most with what is available to you today. This will require both planning and a willingness to "wing it" now and then.
AQUARIUS (Jan. 20-Feb. 18) -- Keep your judgments to yourself today, and be fair to those who are not playing up to your level.
 An unusual development is your doing.
PISCES (Feb. 19-March 20) -- More is going on within than you can easily account for, but you'll simply have to get on with things when given the chance to move forward.
ARIES (March 21-April 19) -- Not everyone has the answers you're looking for, but that doesn't mean you can't find someone to help you. Your immediate needs are unique.
TAURUS (April 20-May 20) -- A misunderstanding leads to a conflict that is easily resolved once you realize the part you have played in it. You must take responsibility.
GEMINI (May 21-June 20) -- You enjoy a personal breakthrough of sorts today. Give someone a little bit of what has worked for you in the past -- and don't hold back.
