Toni Morrison

8 p.m. on PBS  
American Masters

Timothy Greenfield-Sanders' new "Toni Morrison" offers an "intimate meditation" on the life, works and recurring themes of this masterful storyteller and Nobel Prize winner. Morrison's personal story opens in the steel town of Lorain, Ohio, where she grew up, and leads her to '70s book tours with Muhammad Ali and political front lines with Angela Davis. The film also features interviews with Davis, poet Sonia Sanchez, writers Fran Lebowitz, Walter Mosley and Hilton Als, and Oprah Winfrey, who turned Morrison's novel "Beloved" into a feature film.
