YOUR BIRTHDAY by Stella Wilder
Born today, you are far more forceful than anyone might suppose, for your incomparable strength is within, where few may suspect it lies ready to reveal itself when circumstances require. You're not the kind to throw your weight around indiscriminately; there is always a method to your madness, and you focus your efforts on your intended goal.
THURSDAY, JUNE 25
CANCER (June 21-July 22) -- The more logical you try to be, the more likely one of your counterparts will challenge your instincts. Keep looking at things your way.
LEO (July 23-Aug. 22) -- You're in line for a promotion of sorts, but there may be a mystery for you to solve before you can do what is required. This takes some time.
VIRGO (Aug. 23-Sept. 22) -- Not all you've planned will pan out as you've envisioned it, but you can make adjustments and

keep your nearest rival far behind.
LIBRA (Sept. 23-Oct. 22) -- Plan ahead today, but expect to be delayed by someone who isn't playing by the rules. You know a little something that no one else knows.
SCORPIO (Oct. 23-Nov. 21) -- Your optimism may not be matched by the mixed feelings of a loved one. Now is a good time to talk about this difference.
SAGITTARIUS (Nov. 22-Dec. 21) -- You mustn't try to be anything but what you are today, as pretense is likely to set you back in ways that you surely cannot afford.
CAPRICORN (Dec. 22-Jan. 19) -- You can satisfy desires today while still tending to duties and responsibilities. Play your cards right and you'll be in a favored position.
AQUARIUS (Jan. 20-Feb. 18) -- You may not be feeling as connected today as you were wont to do. The reason can be quickly identified, but a solution is harder to find.
PISCES (Feb. 19-March 20) -- You anticipate no problems arising from a surprise development today. Once you regain your balance, you'll take full advantage of the situation.
ARIES (March 21-April 19) -- You may be required to take a test of sorts today, but you are confident that you will pass with flying colors. No delays are foreseen.
TAURUS (April 20-May 20) -- You're able to look at a problem in a way that allows you to see many more options than are revealed to others. You're in a special place.
GEMINI (May 21-June 20) -- You may swing from anger to good humor with remarkable frequency throughout the day -- until a friend shows you how to regain your stability.
